Section 2. Purpose of Assessments: The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the landscaped areas of public rights-of-way and common areas located within the platted boundaries of the properties. Provided further, that the maximum amount of any special assessment, which may be assessed against any

Member of any class in any assessment year, shall not exceed an amount equal to twice the annual dues assessed against said Member for the same year.

Section 5. Notice and Quorum for Action Authorized Under Section 3: Written notice of any meeting called for the purpose of taking any action authorized under Section 3 shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment: Annual assessments must be fixed at a uniform rate for all Lots and may be collected on an annual basis, or more frequently as determined by the Board of Directors.

Section 7. Date of Commencement of Annual Assessments: Due Dates: The annual assessments provided for herein shall commence as to all Lots on the first day of the month following acceptance of dedication of the street right-of-way by the City of Oklahoma City. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Board of Directors shall establish the due dates. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his lot.

Section 9. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments, which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Effect of Non-Payment of Assessments and Remedies.

Any assessments, which are not paid when due, shall become delinquent. If the assessment is not paid within thirty days (30), after its due date, the assessment shall bear interest from its due date at an annual rate equal to the floating rate of interest for mortgage loans from time to time announced by the Federal Housing Administration, and the Association may bring action at law against the property as provided by the laws of the State of Oklahoma for the foreclosure of a mortgage or deed of trust, with or without power of sale; and interest, costs and reasonable attorney's fees of such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided herein.

The owner may at any time after completion of construction bring an action requiring the lot owner to comply with all restrictions herein contained. The Architectural Committee shall be authorized to grant a waiver from any restriction herein contained. The Architectural

If a residence has a two-car garage then it cannot have more than two vehicles parked in the driveway overnight, a residence with a three-car garage can have no more than three vehicles parked in the driveway overnight. Commercial vehicles, except for pickup trucks, are prohibited. Under no conditions may a trailer of any type be occupied, temporarily or permanently, as a residence except during the construction period and then only by a workman or watchman. No garage or outbuilding on any Lot shall be used as a residence or living quarters except by servants engaged on the premises. Garages may not be converted to any other use.

ARTICLE XI

GENERAL PROVISIONS

Section 1. Enforcement: The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any suit brought hereunder, the plaintiff(s) shall be entitled to recover reasonable attorneys' fees, together with the costs of the action.

Section 2. Severability: Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provision, which shall remain in full force and effect.

Section 3. Amendment: The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners. Any amendment must be recorded.

Section 4. Additions to Existing Property: Additional lands may become subject to this Declaration in the following manner:

- (a) **Additions in Accordance with a General Plan of Development.** The Declarant, its successors and assigns, shall have the right to bring within the scheme of this Declaration additional contiguous properties in future stages of the development, provided that such additions are in accord with a General Plan of Development (herein called "General Plan") prepared prior to the sale of any Lot and made available to every purchaser at the Declarant's or Association's office prior to such sale.

The additions authorized under this and the succeeding subsection, shall be made by filing of record a Supplementary Declaration of Covenants and Restrictions (herein called "Supplementary Declaration") with respect to the additional property, which shall extend the scheme of the covenants and restrictions of this Declaration to such property. Such Supplementary Declaration may contain such complementary additions and modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character, if any of the added properties, provided, they are not inconsistent with the scheme of this Declaration. In no event, however, shall such Supplementary Declaration revoke, modify or add

to the covenants and restrictions established by this Declaration within the Existing Property.

- (b) **Other Additions.** Upon approval in writing of the Association pursuant to a vote of its Members as provided in its Articles of Incorporation, the Owner of any contiguous property who desires to add it to the scheme of this Declaration and to subject it to the jurisdiction of the Association, may file of record a Supplementary Declaration of Covenants and Restrictions, as described in subsection 4(a) hereof.
- (c) **Mergers.** Upon a merger or consolidation of the Association with another association as provided in its Articles of Incorporation, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within The Properties together with the Covenants and Restrictions established upon any other properties as one scheme. No such merger or consolidation, however, shall affect any revocation, modification or addition to the covenants established by this Declaration or any Supplementary Declaration within the Properties.
- (d) **Right to Assign.** The Declarant by appropriate instrument may assign or convey to any person any or all of the rights, reservations, easements and privileges herein reserved by it, and upon assignment or conveyance being made, its assignees or grantees may at their option, exercise, transfer or assign such rights, reservations, easements, and privileges or any one or more of them, at any time or times in the same way and manner as though directly reserved by them or it in this instrument.
