Custom Cake Worksheet

First, here's an Example...

The order example is for a Tiered Cake...

...a 12-inch bottom tier that consists of 2-layers of our Signature Vanilla Cake with Chocolate Mousse Filling, frosted in Vanilla Bean Buttercream; the top tier is a 3-layer 8-inch Signature Dark Chocolate Cake with Coconut Pecan Frosting as the filling and a frosting choice of Toasted Coconut Cream Cheese. This is how it would look...

Round Cakes (Corresponding Number of Layer Flavor(s)/Corresponding Number of Filling(s))

<input type="checkbox"/> 5-inch ____ / ____ / ____ / ____	<input checked="" type="checkbox"/> 8-inch <u>3</u> / <u>16</u> / <u>5N</u> / <u>3L</u>	<input checked="" type="checkbox"/> 12-inch <u>2</u> / <u>1</u> / <u>7H</u> / <u>2A</u>
<input type="checkbox"/> 6-inch ____ / ____ / ____ / ____	<input type="checkbox"/> 9-inch ____ / ____ / ____ / ____	<input type="checkbox"/> 14-inch ____ / ____ / ____ / ____
<input type="checkbox"/> 7-inch ____ / ____ / ____ / ____	<input type="checkbox"/> 10-inch ____ / ____ / ____ / ____	<input type="checkbox"/> 16-inch ____ / ____ / ____ / ____

...so, the spaces provided correspond to:

7-inch Layers Needed / Number of Type of Cake Desired / Group Number and Filling Letter / Group Number and Frosting Letter

Choose your Layer Size(s)...

First, check off the size(s) of the layers that you'd like, then enter how many of each layer in the first column...

The following selections are Table Cakes
 If selecting Table Cakes, choose 6 or 7-inch sizes.
