Features

- Avoid Medicaid spend down
- Completely portable
- Tax-free and bypasses probate
- Irrevocable

Why it's a good idea

- Assets in an IBT are not considered "countable" assets by Medicaid.
- You can pre-pay for a funeral and all associated costs without choosing a specific funeral home or visiting one.
- Funded with Whole Life insurance, an IBT has immediate tax-free growth and its death benefits avoid probate.
- An IBT cannot be surrendered, dissolved or reversed by anyone (not a lawyer, the government or family), ensuring your wishes are carried out.
