

RICK PARSONS  
So what does Darius Thomas want.

DARIUS  
Excuse me?

RICK PARSONS  
I mean what do you hope to get out  
of all of this.

DARIUS  
I just want to be able to support  
my family...

RICK PARSONS  
(waving him off)  
Blah Blah Blah, We know all that  
already, but what is it that you  
really want.

DARIUS  
I just want to be creative Mr  
Parsons, to bring my words to life,  
get these stories out of my head.

RICK PARSONS  
And who's your audience?

DARIUS  
Anybody with a heart. Anybody who's  
ever felt pain and let down.

Rick stares at him for a moment.

RICK PARSONS  
Uh huh... Well I have to say that  
the script seems kind of dark to me  
though, not in a bad way, but  
something in your past is  
definitely cutting through.
