## Important Details

For your High School Development Clinic  
July 5-8, 2022 - St. Louis IceZone, Hazelwood, MO

• **For Daily Check-In:** Participants should meet our Coaching staff near the main rink doors/rink lobby to properly check-in. Participants will be given their **Camp Jersey** for use during the week.

• **For DAILY Departure:** With participants in this specific clinic, for High School aged skates, we will assume, participants and their parents/guardians have made or given prior arrangements and or permission for each participant to depart on their own terms as needed. In other words, parents/guardians do not have to be present to check skaters out. We understand participants may be driving themselves, and possibly others if carpooling, to and from the rink.

• If your skater has a medical condition that may affect him/her in any way at camp, please inform our office or SYNERGY staff during check-in at camp.

• **Medications:** (prescription, over the counter, cough drops, etc) are NOT allowed with camp participants and MUST be given to a Lead Camp Instructor at check-in time. Participants requiring medication through the camp day, please follow these detailed instructions: • Prescription medications - MUST be in original container with original labels, showing participants name and dosage instructions. Place medication(s) in a ziplock bag with the participants name on the outside of the bag, enclose an index card in the ziplock bag with the participants name and any medication dispensing instructions (amounts and times). • Over the counter medications – follow same instructions as above (ziplock bag, index card with instructions, etc.)

All medications will be kept in a safe, secure area until needed, and at that point will be distributed by a SYNERGY Staff member to the appropriate camp participant, and then returned back to its secure location until end of camp day (or end of camp week) when it will be returned to participants guardian. PLEASE REMIND STAFF ON FRIDAY SO IT CAN BE RETURNED!

**For any Emergency During Camp/Clinic:** Please call the ice rink directly, let them know you have a participant in the SYNERGY program and then provide them with your message.

## More Important Info - for the skater!

Make sure to review these points with your participant!

- No money will be required for anything unless a small amount is wanted for purchasing items from a concession stand or beverage/snack machine, if one is even available in the rink.

- SYNERGY Hockey will not tolerate bullying, horseplay, foul language, or other forms of unacceptable and disrespectful behavior to any other participant, staff member, and/or rink employees. Drugs, smoking items, including vape devices, and/or weapons of any kind will result in immediate separation from other participants and removal from further attendance or participation. It is at the discretion of the camp staff to do as they see fit with any situation whether it be a verbal warning, written warning, or an immediate removal from further camp participation, all without the obligation to refund or credit any previously paid fees.

- Early to bed, lots of sleep, and plenty of healthy food is always good before attending!

- If your skater is scheduled to go directly onto the ice upon arriving at the rink, they are welcome to come partially dressed in their gear.

- If skaters require extra help with their gear - make sure to ASK - we can help! Our staff will continuously prompt skaters in the locker rooms, to keep them on task with getting dressed/undressed for upcoming sessions. Our staff can not help (aside from verbal prompts) with the basics of dressing/undressing, but CAN help with pulling jersey on or off, snapping or unsnapping helmet straps, and tying or untying skates. Staff will be readily available and willing to help when needed.

- Participants will be reminded by our staff to use restrooms BEFORE and AFTER ice sessions. To maximize learning and training potential, we need to minimize restroom visits during ice times.

- SYNERGY and its staff are NOT responsible for lost or stolen items (including hockey gear). Participants should be very careful about placing each piece of their gear back in their own bag after each ice session. Labeling everything with your name helps. Items left in locker rooms at end of day will be collected by staff and turned over to the rink at the end of the week.
