Section 3: Camp Policies

Parent Initials : _____

13. I understand the camp's goal during the weekly session is to foster safety, a love for horses, to educate in groundwork, horse care, barn etiquette, horse biology, foster empathy towards peers and horses, develop team building, and proper riding.

14. I understand only instructors may assign horses to campers based on safety and riding skill. Neither campers nor parents may request a particular horse for the camp day.

15. I understand my child will do barn chores as part of caring for their assigned horse. These include; mucking a stall, feeding the horse, filling up water buckets, sweeping, putting away tack and equipment.

16. I understand the riding activities will accommodate the riding skills the camper shows on his/her first day. Instructors will approach riding progress keeping safety in mind with a no pressure fun approach. Please note for safety reasons, instructors will assess camper's riding skills on the first camp day assessment. Instructors cannot determine riding skill based on camper or parent anecdotal information.

17. I understand if inclement weather is approaching, camp staff will modify camp hours or cancel camp that day without a refund. The inclement weather includes: tornado alert, tropical storm alert, flash flood alert, extremely high wind alert.

18. I understand, Staff will observe CDC guidelines and will take camper temperature upon arrival. Any camper with temperature 100F or more will be sent home that day. Please note since the camp is an outdoor camp masks are optional and NOT required.

Section 5: Discipline Policy

Parent Initials: _____

19. I understand Hunt View Riding Academy strives to create a safe environment for all enrolled children. I understand camp staff will implement early childhood educational techniques that aim to teach whenever a disruptive or inappropriate behavior is displayed by a child. These include; re-directing, modeling the appropriate behavior, removing the object that is triggering the disruptive behavior. When these techniques fail to solve the disruptive behavior (which rarely happens), camp staff will implement the Reflection Time Policy. This is a time when a camper will be asked to take a seat and take some time to reflect on the situation. I understand whenever a child is out of control and disruptive; he/she will be re-directed to Reflection Time. I understand there will be a total of 30 seconds per year of age. For example, if a child is 6 years old, the reflection time will be three minutes.

15. Unsafe, bullying, aggressive behavior towards peers, staff, or horses will not be tolerated. I understand if camper displays such behavior and is not willing to modify his/her disruptive behavior after camp staff address the behavior, camp staff will contact

parent and camper must be picked up immediately. Camper will not be allowed to return, without a refund, if their behavior poses a safety risk to him/herself, peers, or camp staff.

12. I understand Hunt View Academy staff has the right to terminate the contract immediately without a refund if a child's or parent's behavior threatens the physical or mental health of the other children, of the camp staff, or the horses and/ or otherwise interferes with the operations of the camp. The same right to terminate the contract immediately without a refund is reserved in cases where parents do not abide by the Enrollment Agreement Contract or where bullying, rude and disrespectful behavior occurs towards the staff.
