THE BRIGHT SPOT: Every survival kit should include a sense of humor

STUDENT OF THE WEEK: NOLAN VARNS (GRADE 3)

FAVORITE SCHOOL LUNCH: Tator Tot Casserole

BEST GIFT EVER RECEIVED: A toy tractor

WHAT MAKES A GOOD FRIEND: Someone giving a helping hand

I am proud to nominate Nolan Varns for Student of the Week. Nolan is very polite, uses his manners, and is kind to his classmates and staff. He pays attention in class and follows directions the first time they are given. Nolan asks questions when he isn't sure about something. He participates in class discussions and offers to help whenever he can. Good job, Nolan! I am proud of you! - Mrs. Cooper

BELLS & WHISTLES to the Appleton City Fire Department for bringing out the fire truck and talking to our preschool through 2nd grade about fire safety. - Mrs. Warmbrodt

Preschool: Last week we finished our cute scarecrows and began working on our bats. So far we have talked about the letters a, b, l, and t. We are working hard writing these letters by beginning at the top. Please make sure your child is holding their pencil correctly and resting their hand on the table. Good handwriting begins with a good, solid foundation. Continue to work with your child at home on their names. I can tell they are practicing! This week we will begin our pumpkin activities! Watch backpacks to see all the fun things we are doing. **Please, remember Food for America on Friday.** You can meet us there or ride the bus from here. We plan to go to the park afterwards, weather permitting! Have a great October week! -Miss Stacie

Kind: It is hard to believe we are already almost halfway through October. This week our theme will be The Three Little Pigs and The Three Bears. We will focus on being able to identify the characters and settings. Our letter sounds this week will be /g/ and /o/. We will be adding "I" and "was" to our sight words. Please make sure you are looking at and spelling these important pre-reading words with your child each night. Thank you! - Mrs. Stewart

1st/2nd: This week first grade will be working on writing descriptive paragraphs as we work on learning how to write complete sentences. **First grade will have a math test on Wednesday, science test on Thursday and spelling test on Friday.** Second grade will start a new science unit this week learning more about animals and how they survive. They will also start a social studies unit this week. **Second grade will have a spelling test on Friday.** The quarter ends on Friday, and I still have several with AR tests due. Have a great week! -Mrs. Hird

3rd/4th: Can you believe that the end of the first quarter is this Friday? That is crazy! We have a busy week ahead of us.

Today we took our Star Reading tests. This will help us get a better range of learning levels for each student. **Both grades have a Social Studies test on Tuesday and a Math test on Thursday. Fourth grade will have a Science test on Wednesday and third grade will have theirs on Friday.** - Mrs. Cooper

5th/6th: In Writing, 6th graders will be working on Patriot's Pen essays this week. In Science, 5th graders will be finishing Ch. 2 and will test next week and 6th graders will be looking at physical and chemical changes. In English, both grades will be looking at possessive nouns. Students will begin reading "The Egypt Game" for our Lit. Circle today. In Social Studies, 5th graders will be working on a study guide for Ch. 1 Lesson 1 & 2 and 6th graders will be looking at Native Americans. **AR Book requirements are due this Friday, Oct. 15th!**

7/8 Comm. Arts: Students will be presenting roles this week over Ch. 1-4 of their Lit. Circle book "The Witch of Blackbird Pond". Have a wonderful week! -Mrs. Foster

5/6 Math: Fifth grade is learning about factors and multiples and vocabulary related to lines and angles. Sixth grade is working on the relationship between place value and expanded notation and fraction/decimal equivalents. This is the last week of the quarter, so let's finish strong.

7/8: In grammar, the last week of the quarter finds us working on nouns. This includes spellings of singular, plural, and possessives and appositives. In science, seventh grade will be finishing up their unit on the interactions of matter for the end of the quarter and moving on to a unit on Weather and Climate. Eighth grade will finish the quarter with their unit of motion and forces. **Tests this Week: 7/8 Science: Tuesday -Mr. Ewing**

MUSIC: We will begin to work on some of our Christmas songs. Look for lyrics next week. - Miss Stacie

CHARACTER ED: RESPONSIBILITY – having a duty to deal with something or of having control over someone. 7th and 8th grade discussed our daily responsibilities. Sometimes we don't realize everything we are responsible for each day. For example, setting an alarm to get up and making sure our planner is signed. Growing up adds to those responsibilities, especially when you are in extracurricular activities. We also talked about being a responsible friend and how you feel when someone lets you down. You should talk about it and tell them why it bothers you and how you can work together to fix it! - Miss Stacie

PTO: Please continue to send in dues, they must be paid by November, 2021 to be considered a member in good standing with voting rights. We are still looking for a Vice-President. Please let Stacie Flagg know if you are interested.

School Store is a safe and easy way for us to raise funds for school use. Students can earn prizes too. **School Store** is 100% online so there is no face-to-face selling, handling money, or delivering products. To participate, send form emails inviting family, friends and co-workers to support your child. Return the envelope with the Student Prize Code to school for your child to get their fun participation prize. More prizes will be awarded when goals are reached. **There is no deadline. It will last all year.**

PASSIVE FUND RAISER: Did you know that anytime you place an order on Amazon.com you have an opportunity to raise money for our school through the Amazon Smile program?

1. Go to smile.amazon.com.
2. Log in with your Amazon username and password.
3. Search "Hudson R-9" to select us for your charity of choice.
4. Continue shopping on Amazon like you always do! A portion of any eligible purchases will go to your chosen charity each time you shop.

Participation in this program is free. There is no change to your Amazon shopping experience or what you can browse or purchase. Anyone can do it, so please encourage family and friends to participate. Anytime you shop on this site you can help our school!
