QUEENSHIP OF MARY

August 22

This feast day celebrates the queenship of Mary, our Blessed Mother. As the mother of Jesus Christ, the Lord of all creation, Mary shares in his royal heritage. She is the Queen Mother.

The queenship of Mary foreshadows the glory in heaven which awaits all of us who recognize her son as ruler of the universe.

*Jesus is King throughout all eternity by nature and by right of conquest: through Him, with Him, and subordinate to Him, **Mary is Queen by grace, by divine relationship**, by right of conquest, and by singular choice [of the Father]. And her kingdom is as vast as that of her Son and God, since nothing is excluded from her dominion.*

Pope Pius XII

says the Lord;

Venerated in life and death, **Santa Rosa de Lima**, with the original name of Isabel Flores de Oliva, was born on April 20th 1586 in Lima Peru. She became the first Saint in all the Americas after spending her whole life helping others and dedicating herself to the church. Many miracles have been attributed to Santa Rosa, so much so that she earned the term of the patron of Lima and Peru and 50 years after her death, she was canonized.
