

Fireside Fellowship:

Walking in Love:

1. How is it that truth and love are inseparable for following Jesus?
2. How is agape love to be an action rather than just a feeling?
3. How do we come to know the truth of how love operates in our life?
4. What are some practical ways that we show we are loving others?
5. How does disobedience to the commands of Christ in our own life diminish our love for others?
