\*\*\*\*\*

**BRIGHT SPOT:** **Tools for success:**  
**Keep organized**  
**Set goals for yourself**  
**Keep trying until you get it right**  
**Practice what you've learned**  
**Learn from your mistakes**  
\*\*\*\*\*

**BELLS & WHISTLES to those who are selling tickets to our soup and chili supper! – Mrs. Warmbrodt**  
\*\*\*\*\*

**STUDENT OF THE WEEK: Cayson Flagg– 4<sup>th</sup> grade**

**ONE THING I WANT TO IMPROVE ON THIS YEAR:** Working hard and being nice

**WHAT IS YOUR DREAM JOB?** Farming

**IF YOU COULD BUILD/DESIGN ANYTHING, WHAT WOULD IT BE?**

I want to build a house.

**I DO MY BEST WORK WHEN...** music is on.

**I would like to nominate Cayson Flagg for student of the week. This year, Cayson has set academic goals for himself and has been diligently working towards them. Cayson understands that he is going to make mistakes and when he does, he corrects them and tries to learn from them. He is a team player both inside the classroom and outside. He really likes helping others when he can. Cayson continues to grow as a student and I am excited to see where the rest of the year takes him. Congratulations, Cayson . . . keep up the good work! - Mrs. Cooper**  
\*\*\*\*\*

**Preschool:** Fall has officially arrived with the much cooler temperatures. Please, make sure your child is dressed for the weather. Shorts are no longer permitted. Please check backpacks and make sure extra clothes are long pants. This week students will learn about bats and review letters a, b and c. Students have been working hard on their letters. Please review these at home. We enjoyed our trip to Food for America on Friday. Thank you to everyone that made this trip possible. We couldn't do it without you! We are working on identifying our names. Write a list of names at home and see if your child can pick out their name. Have a great week! Next week will be drug free week. Watch Remind for dress up days! - Miss Stacie  
\*\*\*\*\*

**Kind:** Only two more weeks until November. This year is flying by! This week we are focusing on the story The Three Billy Goats. Our focus will be on recognizing different types of text, being able to identify the characters and setting, and being able to retell what happens at the beginning, middle, and end. Our vocabulary words this week are valley, fine, rushing, roared, and trampled. We will focus our handwriting on the letters e, f, and g. During phonics, we will focus on /r/ and /m/. I hope everyone has a great week! - Mrs. Stewart

\*\*\*\*\*

**1st/2nd:** This week in 1<sup>st</sup> grade we are reading the story Once Upon an Ordinary School Day by Colin McNaughton. This week we will learn how to use details from our text to help describe the characters. We will continue to work on retelling a story with a beginning, middle and end. We will continue working on our short and long vowels in our writing and different ways to spell different vowel sounds. Please, continue to read every night. In math we will be writing numbers through 36. We will continue talking about place value such as the ones and tens place. We will also continue to work on our math facts. The kids really enjoy those! In 2<sup>nd</sup> grade we will be reading the nonfiction story Spiders by Gail Gibbons. We will be learning all things spiders this week! We will work on writing different types of sentences about spiders such as a command, question, and exclamation. We will also be learning about ants and how they are like spiders and how they are different. In math we will start weighing objects, as well as horizontal, vertical, and oblique lines. We will continue working on addition facts. Don't forget; Students can take a test on books they are reading at home!

\*\*\*\*\*

**3rd/4th:** I hope everyone enjoyed the weekend with the wonderful weather we had. The forecast this week calls for some cool, if not cold, days. With our first recess being at 9:30, it is important that students have the appropriate attire for outside recess. Layers are usually best at this stage of the year. Everyone in our class has completed their AR goals for the quarter. This week, we will be trying something new in regards to our Reading time. Students will continue to have Phonics or Vocabulit, but they will also have a reading comprehension book that they will be reading all week. One night this week, it will come home with them with a reading log. I would like each student to read it to an adult and the adult to complete the log and sign it stating it was read. The intent of this is to hopefully improve reading comprehension skills. On Wednesday, third grade will have a math test. On Thursday, fourth grade will have a math test along with a science test over chapter 4. Science study guides will come home today. - Mrs. Cooper

\*\*\*\*\*

**5th/6th:** In Writing, 6<sup>th</sup> graders will be working on the body of their Patriot's Pen essays this week. In Science, 5<sup>th</sup> grade will be starting a new unit on the "Water Cycle" and 6<sup>th</sup> grade will test over Ch. 1 "The Properties of Matter" on Friday. In English, both grades will be looking at verbs and direct objects. In Reading, students will read Ch. 3 in our Lit. Circle book and present roles on Thursday. In Social Studies, 5<sup>th</sup> grade will still be learning about the Revolutionary War and 6<sup>th</sup> grade will be getting ready to test next week over Ch. 2 "Native Americans of North America". **1<sup>st</sup> Quarter AR Book Requirements (5<sup>th</sup> -8<sup>th</sup> grade) are due this Wed., Oct. 19th!**

**7<sup>th</sup> /8<sup>th</sup> Comm. Arts:** Students will be finishing their Patriot's Pen essays this week and will be getting ready to test over "theme" and "symbolism". - Mrs. Foster

\*\*\*\*\*

**5/6 Math:** As we come to the end of the quarter, fifth graders are looking at problems involving comparing and elapsed time, the types of triangles, and the nature of fractions. In sixth grade, students are looking at numbers in expanded notation, problems involving elapsed time, and fraction/percent equivalencies. **Tests This Week:** 5th Math: Tuesday **7/8:** The seventh and eighth graders will conclude the quarter in grammar by continuing their unit on verbs. This will include transitive and intransitive, subject/verb agreement, and predicate nouns and adjectives. In math, seventh grade is working with coordinate planes, metrics, and comparing decimal numbers. In pre-algebra, students are looking at solving equations, overall average, and more difficult problems involving order of operations. In algebra, students are doing algebraic factoring and identifying and graphing inequalities. **Tests This Week:** 7/8 Science: Wednesday, Algebra: Tuesday, Pre-Algebra: Thursday - Mr. Ewing

\*\*\*\*\*

**CHARACTER ED: SUPPORTIVE** - providing encouragement or help. The younger grades have been learning how to be a supportive friend. When we play sports, it is important to remember to encourage our teammates and not get caught up in the heat of the moment and say things we shouldn't. We have been practicing strategies to help us take a breath and think before we speak. Support your friends by encouraging them with positive words. Pat them on the back and lift their spirits. A little bit of encouragement can go a long way in building up others! - Miss Stacie

\*\*\*\*\*

**MUSIC:** Christmas lyrics go home this week! **The program is December 7<sup>th</sup>,** so we need to start practicing!

\*\*\*\*\*

**CONGRATS to the Jr. High football and volleyball teams...we have several athletes moving on to basketball.**

\*\*\*\*\*  
**PTO MEMBERSHIP DUES** should be paid by **November 1<sup>st</sup>** in order to be a member in good standing and to be able to vote on PTO issues. These dues are \$5.00 per person.  
 \*\*\*\*\*

\*\*\*\*\*  
**CHRISTMAS PROGRAM DATE: Weds., Dec. 7<sup>th</sup>, at 7:00 p.m.** This event is earlier this year than most because we are working around the Jr. High WEMO basketball tournament that is the week of December 12 – 16.  
 \*\*\*\*\*

\*\*\*\*\*
