## Ministry News/Updates

It was just heartbreaking to see the increased number of tents with families lined up blocks long when we went out to serve on Saturday, January 30, 2021. During these uncertain times, the need is so great, and we are commissioned to do more to help the community. The Homeless Community are people and need your love, help, and support. This is Ministry one on one. We must still witness to the souls on the streets even during this Pandemic. They too need encouragement, peace, and hope! I also know God is hearing this ministry prayers and petitions for continued help and support! Talk about unexpected blessing and new partnership!! All I can say is thank you Jesus! Heartfelt thanks to all the seed sowers this month. Gracious thanks to all the volunteers who came out to serve with us.

Humble thanks to all the monthly supporters who are continuing their faithful support to Soul-Lifted Sisters in 2021. Your love and support over the years is overwhelming and greatly appreciated! Thanks for believing in the Mission and Vision of this Ministry!

We are asking that if you haven't been financially supporting you please consider supporting our Scholarship Fund and other Outreach Efforts. We want to be a blessing to the 2021 Highschool Graduates this year and onward!
