

Papas' Mechanic Job Description

Position Title: Small Engine Mechanic

Position Begins: Now

Location: 8871 State Route 20. Port Townsend, WA 98368

Reports to: Jody and Chauncey Locklear (owners and lead mechanics)

Position Summary:

The mechanic position at Papas' is responsible for performing a wide range of mechanical duties including but not limited to diagnosing, testing, repairing, and maintaining outdoor power equipment. Items to be worked on include: push mowers, riding mowers, string trimmers, chainsaws, generators, hedgers, blowers, rototillers, air compressors, pressure washers, brush cutters, chippers, and more. This is a highly physical and mentally demanding job with a focus on excellence at all times. A continuous work-flow of advanced problem solving, testing of equipment, moving and cleaning equipment, consulting with customers on and off the phone, reading schematics, filling out work tags, organizing the workspace, and speaking with other mechanics is expected. You will be working within a team of highly motivated, curious, hard-working, and devoted professionals striving for open communication and the best customer service possible. We strive to create a positive, uplifting, and fun environment that both we and the customers enjoy. This position is best for someone looking to grow and expand themselves personally, spiritually, and professionally in a heart-centered business. We actually want to have an impact in our community that uplifts, empowers, and supports people and the environment.

Requirements:

- Experience working with tools and problem solving (formal experience not required)
- High school diploma or equivalent
- Drivers license and own vehicle for transportation
- Deep curiosity and desire to learn
- Kindness, motivation, and enthusiasm is a must
- Excellent communication skills or desire to learn them
- Proficient in search engine lookups and online research
- Comfortable taking directions and okay with well-meaning authority
- Command of the English language
- Literacy with computers and internet technology; ability to type and perform essential functions on a computer
- Free of any theft convictions in the last 5 years
- Adhere to all written and verbal instructions, as well as Employee Policies
- Able and willing to comply with a drug-free and smoke-free workplace
- Able to lift (up to 50lbs at a time), squat, bend, and turn repeatedly
- Able to work in a loud and noxious environment
- Able to stand for extended periods of time

Compensation:

14.50-16/Hr Depending on Experience.

Beginning 20 hours per week with availability to work more hours with experience - may the adventure begin! Join our team if you are ready to take the next step!

To Apply: Send resume and cover letter to shop@papasrepairs.com or drop by the shop Tuesday through Saturday 10:00am to 7:00pm. No calls please.
