No mass production allowed. If you would like to reproduce the pattern as a guild handout, please contact Annie for permission.

Made using just one basic 16" block, these quilts are great for philanthropy projects, dorm quilts, or just a way to use up your stash.

Each fat quarter of fabric will provide enough pieces for one block plus leftovers for the border. By using a variety of fabrics and varying the rotation of the blocks, you can make many bold and beautiful quilts. The more fabrics you use, the more flexibility you will have in arranging the blocks.

Use the chart below to determine how many blocks are needed for the size quilt which you have chosen.

	Crib 36" x 48"	Lap 52" x 68"	Twin 68" x 84"	Queen 84" x 100"
Block layout (horizontal x vertical)	2 x 3	3 x 4	4 x 5	5 x 6
Number of 16" blocks needed	6	12	20	30

A. CUT PIECES FOR BLOCKS, BORDERS, AND BINDING.

- ☐ Cut each fat quarter into these pieces:
 - ☐ three 4½" x 18" strips
 - ☐ two 2½" x 18" strips
 - ☐ one 2½" x 16½" strips
- ☐ For the *lap* quilt, cut two 2½" x 18½" strips and two 2½" squares from the fat eighth. These pieces will be used for the top and bottom borders.
- ☐ For the binding, cut 2¼" strips across the width of the fabric as indicated for the size quilt that you are making:

Quilt Size	# of 42-44" Strips
Crib	5
Lap	7
Twin	8
Queen	10

TIPS:
Stack and cut several fat quarters at a time.

Set pieces aside in piles by size as you cut.

- ☐ Make strip sets by sewing each group of five strips together along the long edge with the 2½" strips between the 4½" strips as shown. Press seams as shown.

B. PREPARE BLOCK COMPONENTS.

- ☐ Separate 18" strips into groups of three 4½" x 18" strips and two 2½" x 18" strips, striving for as much variety in color, value, and scale as possible.

- ☐ **Cross-cut each strip set** into two $7\frac{1}{2}$ " segments and one $2\frac{1}{2}$ " segment as shown.

$7\frac{1}{2}$ "	$7\frac{1}{2}$ "	$2\frac{1}{2}$ "

C. ASSEMBLE THE BLOCKS.

- ☐ **Sew a $2\frac{1}{2}$ " x $16\frac{1}{2}$ " strip between two different $7\frac{1}{2}$ " strip segments** as shown below. Press seams to center strip.

TIPS:

Save time by chain piecing the strips and segments.

Strive for as much variety as possible when picking pieces for blocks.

Two 6" x 24" rulers will make quick, easy work of cutting the segments. Align one at $1\frac{1}{2}$ " from the edge and butt the other ruler against it to make $7\frac{1}{2}$ ".

A few puffs of spray starch or sizing when ironing seams greatly improves accuracy.

D. ASSEMBLE THE QUILT CENTER.

- ☐ Following the Quilt Assembly Diagrams on the next page, **arrange blocks**, rotating and rearranging as needed to assure good dispersion of color.
- ☐ **Join blocks to form rows.** Press seams to opposite sides from row to row.
- ☐ **Join rows to form quilt center.** Press seams to bottom of quilt.

E. ADD BORDERS.

- ☐ Join remaining $2\frac{1}{2}$ " x $16\frac{1}{2}$ " blocks **to make borders** for quilt as follows:

	# of $2\frac{1}{2}$ " x $16\frac{1}{2}$ " Blocks			
	Left Side	Right Side	Top	Bottom
Crib	3	3	not used	not used
Lap	4	4	2 plus one $2\frac{1}{2}$ " x $18\frac{1}{2}$ " strip and one $2\frac{1}{2}$ " square	2 plus one $2\frac{1}{2}$ " x $18\frac{1}{2}$ " strip and one $2\frac{1}{2}$ " square
Twin	5	5	4*	4*
Queen	6	6	5*	5*

- ☐ ***For the twin and queen quilts, sew a $2\frac{1}{2}$ " square to each end of the top and bottom border strips.** (NOTE: You'll have extra $2\frac{1}{2}$ " strips; just cut four $2\frac{1}{2}$ " squares from them.)
- ☐ **Attach outer border pieces to quilt,** left and right sides first. Press seam toward outer border. Repeat, attaching outer border pieces to top and bottom of quilt.

F. QUILT AND BIND THE QUILT.

- ☐ **Layer** the backing (face down) with the batting (in between) and quilt top (face up); **baste** together.
- ☐ **Quilt** as desired.
- ☐ **Trim** the batting and backing even with the quilt top edges.
- ☐ **Join the $2\frac{1}{4}$ " binding strips** using a diagonal seam to make a continuous strip. Press the seams open. Fold the binding strip in half lengthwise and, matching the raw edges of the binding with the raw edges of the quilt, **attach the binding to the front edge of the quilt** with a $\frac{1}{4}$ " seam. Miter the corners as you sew and join the ends of the binding using the method of your choice.
- ☐ **Turn the binding over** the edge of the quilt to the back and **hand-stitch in place.**

Be sure to check out Annie's website at www.byannie.com. It's the place for patterns and other fun things for quilters and fabric lovers:

- fashion accessories
- organizational supplies for quilters and crafters
- quilts and wallhangings
- even a cookbook!

Wickedly Easy Quilts

Quilt Assembly Diagrams

← **36" x 48" crib quilt**

2 x 3 blocks with side borders only. There are no top and bottom borders.

→ **52" x 68" lap quilt**

3 x 4 blocks with side borders and 2½" x 18½" strips at one end and 2½" square at other end of top and bottom borders.

68" x 84" twin comforter (not pictured)

(Same as queen but with fewer blocks)

4 x 5 blocks with border blocks on all sides and 2½" blocks at each end of top and bottom borders.

← **84" x 100" queen comforter**

5 x 6 blocks with border blocks on all sides and 2½" blocks at each end of top and bottom borders.

Wickedly Easy Quilts

Quilts so easy to make, it's almost sinful!

Go to
www.byannie.com
for more patterns
and ideas!

Made using just one basic 16" block, these quilts are great for philanthropy projects, dorm quilts, or just a way to use up your stash.

Materials needed	Crib 36" x 48"	Lap 52" x 68"	Twin 68" x 84"	Queen 84" x 100"
Blocks	6 fat quarters★	12 fat quarters plus 1 fat eighth★	20 fat quarters★	30 fat quarters★
Binding	3/8 yard	1/2 yard	5/8 yard	3/4 yard
Backing	2-1/2xzd yards	3-1/2 yards	5-1/8 yards	9 yards
Batting	42" x 54"	58" x 74"	74" x 90"	90" x 106"

★Cutting instructions assume that fat quarters are 18" x 21-22" and fat eighths are 9" x 21-22" and use almost every bit of those fabrics. If your fabrics are smaller, you might want to pick up a few extra fat quarters.

... what's in your bag?

Greetings!

We hope that you will enjoy making this pattern from ByAnnie.com. Please be sure to let us know if we can answer any questions or help you in any way.

If you're new to ByAnnie patterns, we'd like to introduce ourselves. ByAnnie.com was started in 2000 by quilter Annie Unrein as a way to pay for her fabric habit. Annie designed a website and started the business with all of three patterns. It was such a thrill to see an order come in and know that she could add a fat quarter to her stash!

Today ByAnnie.com has grown to a collection of hundreds of patterns supplemented by hardware, zippers, notions, and Annie's own creation, ByAnnie's Soft and Stable. Our staff works together to bring you quality products and friendly, professional customer service.

We would love to have you join us around the web. To find more patterns, notions, hardware, zippers, and ByAnnie's Soft and Stable, visit us at www.ByAnnie.com.

Enjoy social media? We do, too! We would love to see pictures of your creations made using any of our patterns or products. Email photos to info@byannie.com. Use [#patternsbyannie](#) and [#softandstable](#) on Instagram. Post your photos to our wall on Facebook. You can find us here:
