

Safe Environment Training for Parents

We invite you to view the Safe Environment program that is required for all volunteers and staff of each parish.

This is offered to parents and we encourage everyone to view this information. If you wish to volunteer during our Religious Education year as a classroom helper, at a retreat, or any other CCD function, you will be required to complete this process.

If you choose to participate in this program, all of the forms, materials, and videos for our Safe Environment Training can be found on the diocesan website at:

<https://diolc.org/safe-environment/training>

And click on Parents Safe Environment Training and complete the steps outlined there.

If you do not have access to the Internet, please contact Mary Uttecht to make arrangements.

Please Note: All students will go through a safe environment training class that is appropriate to their age group. If you do not want your child to receive this training, you may opt out by filling out the form available on the diocesan website and returning it to the parish Office. For more information please contact the office.

Handbook Verification

I acknowledge that I have reviewed the 2020-2021 Handbook for the St. Joseph Religious Education Program.
