MULTI VEHICLE PROGRAMMER

SYSTEM

So New and Unique - The MVP has a U.S. Patent

**US Patent 7315238 -
Method and system for providing key programming tokens to a
multiple vehicle programming device.**

Technical Support contact phone number is: **650-351-8270**

Our new U.S. headquarters will be:
**1435 Huntington Ave, Suite C
South San Francisco, California 94080**

INFINITI	Important Note for 2009 models - Starting with the 2009 model year - some Infiniti & Nissan models are using a new BCM conversion formula that is only available to the dealer or NASTF approved locksmiths. Some 2009 models still use the older system that is supported by 'Nissan SuperCode' software.

NISSAN continued . . . * Optional Transponder System	Important Note for 2009 models - Starting with the 2009 model year - some Infiniti & Nissan models are using a new BCM conversion formula that is only available to the dealer or NASTF approved locksmiths. Some 2009 models still use the older system that is supported by 'Nissan SuperCode' software.
