OLD BUSINESS

Road Report

We have been blading and trimming trees.

Road Repair and Seal Coat

Paving of the repair to Cherry Point has been completed. Some shouldering work has also been done in the Cherry Point area.

A motion was made to approve Astech's quote of \$39,162.86 to seal coat with pea rock and then apply fog seal to Cherry Point, Mosquito Lane, Paulin's Lane and Golden Drive. (m- John Krafthefer, s- Jerome Kostreba, v- unan)

Cartway Payment

We received a check for Benson's share of the township's expenses for the meandering trail cartway.

Town Hall Maintenance

The replacement steel double doors have been installed and we are waiting on the windows.

ARPA Update

There are meetings coming up discussing what we can spend the money on.

Niewind Garage – Paulin's Lane

We will need Niewind's to give us at least .09 acres, or whatever it takes to build an appropriate turnaround. Niewind's may potentially need to buy the land from his neighbors.

Lynn Bushard will contact Niewind's and ask them if they want us to build the turnaround or if they want to hire a contractor to build the turnaround to our specs.

Scott Heideman Deck

The Heideman's did have the appropriate permits and variances for the deck that was built.

NEW BUSINESS

Mosquito Lane Culverts

We need to get quotes to replace this culvert. We will check with Paz.

Plastic Culverts

The County is starting to use plastic culvert on their main roads but warned us that you need to get enough cover on them because they can float. They are still requiring galvanized on personal driveways and approaches.

Ekola fence in ROW

The fence was moved after Laura from Leuthner's Office sent a letter to Ekola.

Second Snow Plow Operator

We will ask Shane if he wants to plow snow again this winter.

Spray Town Hall for Beetles

This was just done a week or so ago.

Reuben's Court

4 property owners who live on Rueben's Court where present to ask what was needed for a petition to have the township take over the road.

Culvert Markers and Posts

After discussion, a motion was made to purchase fiberglass marker posts with reflectors on top to mark our culverts with. (m- John Krafthefer, s- Jerome Kostreba, v- unan)

Announcements and Correspondence

The Clerk read all correspondence for the month.

October Meeting Time and Place

It was agreed by all that the next month's meeting would be 7:00PM on Monday, October 4th.
