...The Bell in Studham 'An Award Winning Pub!' APRIL 2022

## Ding Dong,

Hot off the press the latest news from The Bell in Studham! It must be April as we're certainly having those spring showers, if not rainfalls amidst snow and sunny spells, can only be our Great British weather! We have enjoyed welcoming back a little normality but it continues to be important to us to know that when you visit us that you not only enjoy our food, service and gifts but at this time that you feel safe.

At time of writing masks are of course optional now and we'll leave the decision with you. For now the Perspex around the bars will remain for a while longer and a couple of table screens are available if you should you still want one. Please continue to use the hand sanitisers and help us to keep each other safe being mindful of social distancing. We would still ask for children not to run about inside as we move further into 2022.

If you enjoy our popular **Sunday Roasts** you may be pleased to hear that we now offer **EVERY DAY ROASTS**. When ordering please check which meats we have freshly prepared. This is as well as a vegetarian option. Roast dinners can be eaten not only in house but be ordered as a take away! For collection. We are currently looking into a delivery service with Deliveroo and will of course keep you updated with this news. Roast dinners for **TAKE-AWAYS** can be served on our plates, your plates or in a take away container, just let us know what you would prefer.

As well as roast dinners, most of our main menu and desserts are available to enjoy as a **TAKE-AWAY** as well as bottles of wine, pints of lager or ale and snacks.
