

## We Welcome Partnerships

 California Association for  
Micro Enterprise Opportunity

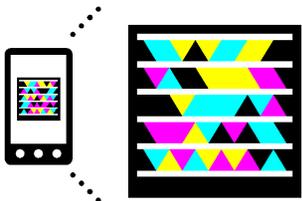

The success of our mission to cultivate micro-enterprise and economic vitality is only accomplished through strong community collaboration and committed partners with a common mission.

We both welcome and encourage new community partnerships and collaborations for engagement in our common mission to promote unborn businesses and to cultivate a healthy environment for entrepreneurship and job creation.

We also welcome new collaborator agencies in other areas outside of Los Angeles who are interested in expanding Business Entrepreneurial Stewardship Training outreach services to your city or local community.

The Certificate **Business Entrepreneurial Stewardship Training Numbers Accelerator Program (BEST)**; is a 3-week Project-Centric, Professional-Action-Competency, Computer-Based Web-based Course. Each participant (Enterpriser) will commit to improving the “Fiscal Fitness” of their company (project) and to gain strategic understanding of their financial statements to research, analyze, for their Business Plan. Additionally, Enterprisers will then be coached for appropriate capital access and creditworthiness for seed capital at \$50,000 for business operation and implementation.

The **BEST** is a program that builds and enhances the business ownership (executive) skill-set employing the four dimensions of competency: technical, methodological, social and individual – that are promoted and transmitted integrally through entrepreneurial principles and technical assistance with peer interaction; which produces the main objective of preparing purpose-motivated visionary people with professional action skills to start-up an enterprise and to succeed in business.

During and after the course-cycle, financial industry experts, and special events and meetings for business owners will be scheduled and promoted to encourage networking with banks, funding agencies and trade agencies to connect with resources for start-up businesses.

## Mission Statement

**Business Entrepreneurial Stewardship Training (BEST) Numbers Accelerator Program** is designed to provide training, and one-to-one consultation and technical assistance for entrepreneurs, visionaries and new business owners. Our mission is to serve as a network to promote economic vitality through business generation, job creation and capital access development for business growth. Our focus is to assist visionaries in their commitment to becoming profitable enterprisers.
