

Policies and Procedures

Appointment Deposit: There is a **\$30 deposit per pet** required for all appointments. This deposit guarantees your appointment time and is applied to the price of your pet's grooming. **It is fully refundable only if we are given a 48 hour cancellation notice.** Once we establish a working relationship with you, we will eliminate this policy.

Appointment Confirmation: Upon scheduling an appointment, you the client, are agreeing to the date and time you approved. Appointment reminder calls are made 48 hours prior to appointment as a courtesy to all clients. A reply is not required to confirm as the confirmation was done when the appointment was made. **If you cannot keep your scheduled appointment, you agree to inform Rags to Riches Pet Salon LLC by CALL 48 hours prior to appointment. Failure to give a 48 hour notice will result in a cancellation fee of \$30.**

Appointment Times: An appointment time is an estimated time of arrival. As a mobile service, our schedule is subject to traffic, accidents, refueling, driving distance from a previous appointment, or a previous appointment taking longer than expected. We will make every effort to be on time. Should we be running behind or ahead of schedule, we will always call to let you know.

Payment: Payment is due at the time of service. We accept credit/debit cards, Venmo, Paypal and there is a **5% DISCOUNT FOR CASH.**

Current Vaccinations: To vaccinate or not is a personal choice of the owner. Rags to Riches Pet Salon LLC recommends any vaccines that the pet's veterinarian recommends. Rags to Riches Pet Salon LLC may not ask for proof of vaccinations. However, by signing this contract, you (the owner) agree that if you do not properly vaccinate your pet(s), **YOU** are responsible for any health risks that your pet(s) may come into contact with and you, the owner, agree not to hold Rags to Riches Pet Salon LLC responsible for any illness contracted by your pet(s) while in the salons' care.

Accidents: Although accidents are very rare, there is a risk when dealing with animals. Grooming equipment is sharp, and although we use extreme caution and care in all situations, possible problems could occur including cuts, nicks, scratches, quicking of nails, etc. In most cases this can happen when an animal is wiggling or moving around. Your pet's safety and comfort is our number one priority. In the event an accident does occur, you will be notified of the accident. If Rags to Riches Pet Salon LLC feels it is serious, and the owner is not home, Rags to Riches Pet Salon LLC will seek immediate veterinary care for your pet with your veterinarian on file. All medical expenses for veterinary care will be covered by the pet's owner upon signing this contract/agreement unless the injury or illness is a direct result of negligence of Rags to Riches Pet Salon LLC staff.

Fleas/Ticks: Rags to Riches Pet Salon LLC is a **FLEA FREE SALON.** If your pet has or shows signs of fleas, we prefer that you use a vet recommended flea and tick preventative a few days before your grooming appointment. If upon arrival, we discover that your pet has fleas, we will not be able to

groom your pet and you will need to schedule another appointment. Please keep in mind that this will be considered a missed appointment you and you will be charged 1/2 of your pets grooming fee.

Dangerous or Aggressive Animals-Refusal of Services: In the event that your pet is too stressed or becomes dangerous to groom, Rags to Riches Pet Salon LLC may stop and/or cancel grooming services at any time before, during, or after grooming and the pet owner will be charged a grooming fee. If a groomer is bit we are required by the state to report the incident. Rags to Riches Pet Salon LLC cares for the well-being of your dog, and wants to prevent this in every way. Rags to Riches Pet Salon LLC does not force what your dog is not comfortable with; NO EXCEPTIONS. One bite can put a groomer out of work forever. The pet owner **MUST** inform Rags to Riches Pet Salon LLC if your dog bites, has bitten or is aggressive to people, other animals or specific grooming procedures. If the dog bites someone or another animal while in the care of Rags to Riches Pet Salon LLC, the pet owner agrees to be responsible for any and all medical bills, recovery costs, and loss of income.

Matted or Grooming Neglected: We at Rags to Riches Pet Salon LLC, **DO NOT DEMAT** any pet that has had their grooming needs neglected. We will do what is necessary to get your pets comfortable, which usually results in a **VERY SHORT**, down to the skin haircut (which will result in an additional fee) Please also understand that pets in this condition can be extremely uncomfortable and may even have skin irritation from from the mats being tight to the skin. At this point we can get your pet on a regular grooming schedule where you can manage the coat and have the trim you desire. Please be aware that pets that are closely shaved can sunburn and should be kept out of the sun until their hair grows back. In some cases your pet may react with changes in behavior. In certain breeds and coat types, the coat may not grow back the same. Rags to Riches Pet Salon LLC will not be held responsible for any skin problems arising from this type of grooming.

Pre-existing Conditions: Occasionally grooming can expose or aggravate a condition that may not be known. Rags to Riches Pet Salon LLC will not be held responsible for any injury other than gross negligence.

Senior Pets: Grooming procedures can sometimes be stressful. Older pets and pets with health issues can have a greater chance of injury. These pets will be groomed for cleanliness and comfort. Rags to Riches Pet Salon LLC does **NOT** take on any pet 10 years of age or older as a "new client" and will not be held responsible for any accident or injury to a senior or health compromised pet during their grooming. Rags to Riches Pet Salon reserves the right to refuse service or stop service at any point should a pet become too stressed from the grooming process and will charge the owner accordingly.

Puppies: It is best to start your puppies grooming as soon as possible! It is **NOT** wise to wait until they are 4, 5 or 6 months old. A good breeder will start grooming their puppies at 4 and 5 weeks old. Think of it like this, If you want to be good at something, you need to PRACTICE, PRACTICE, PRACTICE! The more often you are doing something with your puppy, the better they will be about having it done. Grooming does not come naturally, it is something that you need to "teach" your puppy. A good grooming dog has been taught to be tolerant of the many grooming procedures. Getting your puppy in a good basic obedience class is a good way to start. Just remember, obedience is NOT for your dog, its

for YOU!! It is for you to learn how to train your dog.

Clipper Rash or "Clipper Burn": Is **NOT** what it sounds like!! This is actually an "irritation" that a pet can get from not being used to a close shave. It is **NOT** from the clipper blade being hot. If your pet has experienced this in the past, please be sure to let us know.

Cancellations: Because we book on an hourly basis and cancellations can leave an empty block in the schedule that could have otherwise been used by another customer, we ask that any grooming cancellation be made **at least 48 business hours** in advance (**Thanksgiving and Christmas week is a 3 business day notice**). We understand EMERGENCIES happen and will try to work with you. If this should happen repeatedly, we will no longer schedule any future appointments.

Satisfaction: Your satisfaction is important to us. We will do our very best to communicate and understand what style of trim and length of hair you are looking to achieve. We do our best and take notes so we know exactly what we did/used on your pet. Please keep in mind that the first grooming is a starting point and anything you would like done differently will be done at the next appointment.
