DOWNTOWN MARKHAM

BECAUSE IT'S STEPS TO THE NEW, STATE-OF-THE-ART YORK UNIVERSITY CAMPUS

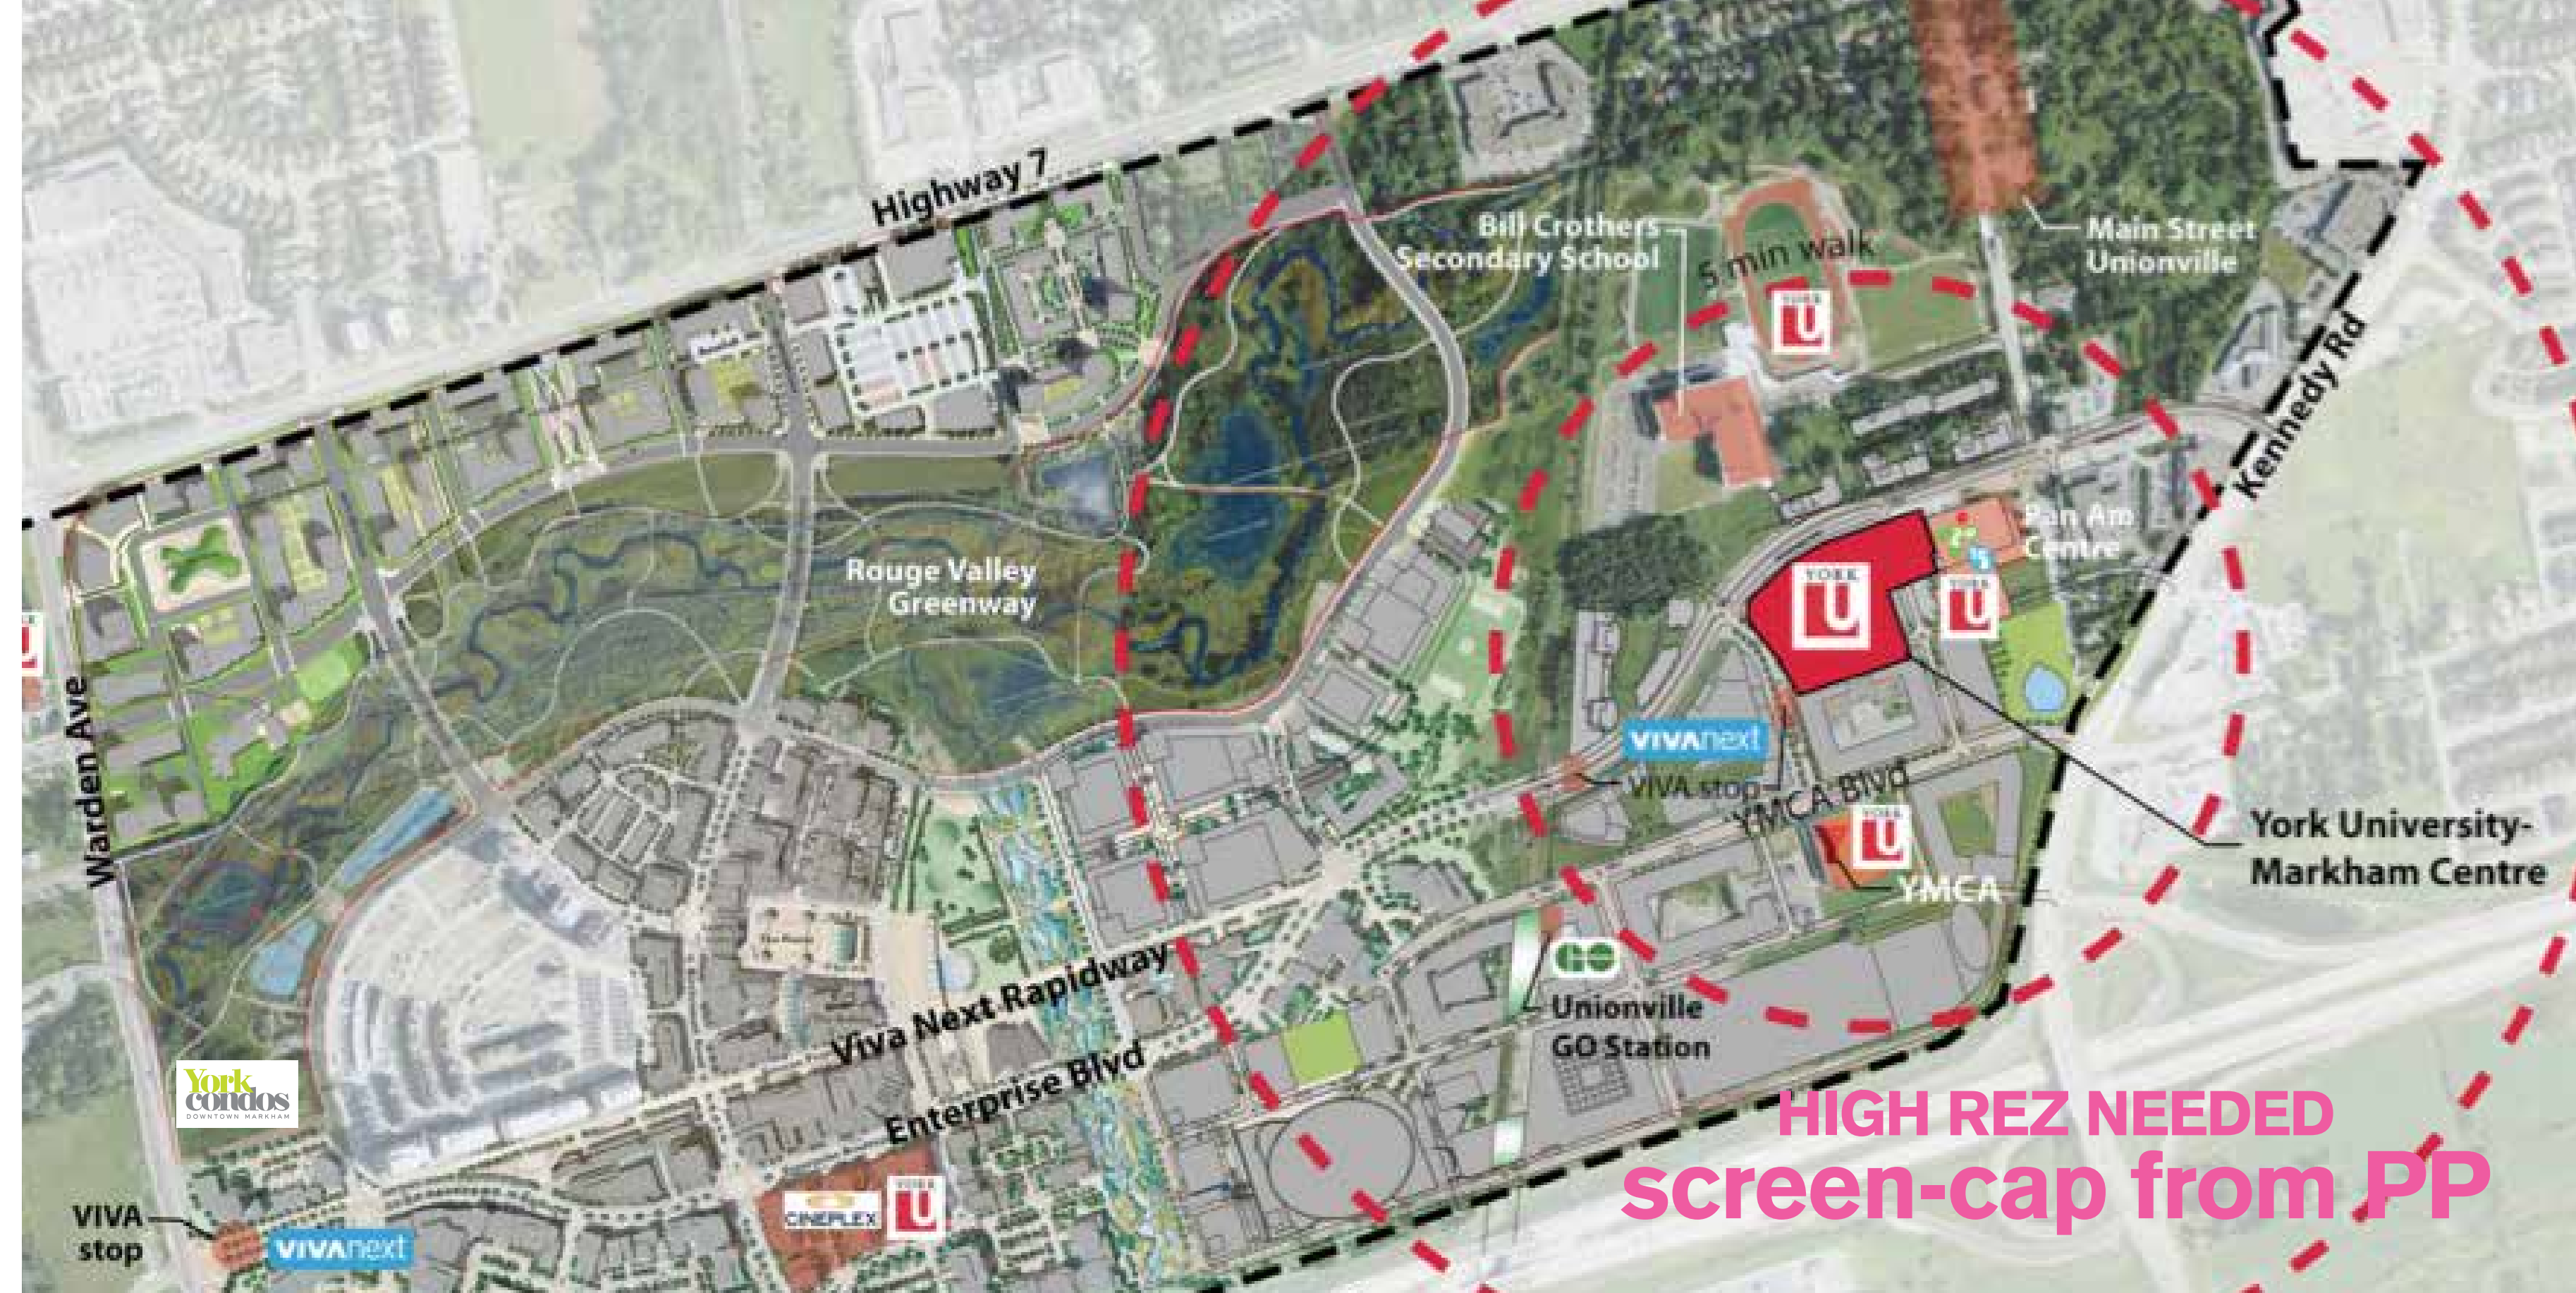

- 4000+ fulltime students
- 25 degree programs
- 8 fields of study
- 15 transit routes serving the campus
- 400+ new campus jobs
- \$500 million in economic benefits
- \$37 million annual impact

York University is building a brand new, 21st century campus in the heart of Downtown Markham. With fast growing demand for high-quality education in Ontario's new knowledge economy, the campus will offer professionally-relevant academic programs to over 4,000 students. With easy access to transit, highways, major employers and research hubs, the York University Markham Centre will be a truly integrated, urban campus.

The University campus is located at the core of a thriving urban centre rich in amenities such as shopping, dining, parks, sports, entertainment and more. As one of Canada's top research locations, York Region's robust growth means that students will have workplace-based learning opportunities and job prospects when they graduate.

# BECAUSE IT TAKES A SPECIAL KIND OF DEVELOPER TO ENVISION A GREAT COMMUNITY

The Remington Group Inc. (TRG) is a privately held company with substantial land holdings and over 60 years' experience within the industry. TRG operates, develops, manages and builds an extensive cross-section of residential and income properties all across Ontario. Led for more than 60 years by brothers Rudolph and Jerry Bratty, TRG has built thousands of homes, and owns and manages millions of square feet of commercial, retail, and industrial properties. Today, a third generation of Bratty brothers –Matthew, Mark, Christopher and Michael – carry on the tradition of running a progressive, integrated company that continues to be an industry leader. TRG has earned a reputation for honesty, hard work, and generous community investment and involvement. Among residential owners, retail and commercial tenants, community associations, business partners, and through all levels of government, The Remington Group is known as an ethical and dedicated development company.
