

2020---- All-Star Game

I would like to announce the Citrus Park Softball All-Star game for the 2020 season. The players on the All-Star team would consist of two teams of twelve players, chosen by the league players.

The players chosen would be considered the best player at that particular rating. In the middle of the regular season, each manager and team will submit two names from each rating to be considered as All-Stars. They will also nominate the best pitchers from each league. Teams cannot nominate themselves or other team members.

A player to be considered, must play at least 14 of the twenty games during the season. The teams would try to reward players that have done a great job, during that season. After names have been nominated by the teams, a ballot will be compiled with the names of the potential All-Stars. Each league player will be able to vote for members of the All-Star team. The All-Star teams would consist of eleven players representing each rating, plus the best pitcher.

The current softball league consists of two conferences, the Mullen/Delfgaw conference, and the Ayers/Pouliot conference. The teams in the Mullen/Delfgaw conference will be pitted against the teams in the Ayers/Pouliot conference.

Once players are nominated, I will post the names on the softball bulletin board. If a player can't play on March 7, they should cross out their name. Once this is completed a voting ballot will be compiled, and the league will vote for the All-Stars.

Any team that does not complete the nominating ballot will not be eligible to be on the All-Star Team !

This year the All-Star team players will receive hats, that they can keep as a memento of the game. The men on the All-Star Team, will be managed by the number one rated All-Star. Men that came in second in the voting, will also play a game preceding the Woman's All Star game.

The Friday before the game would be a practice day for both teams. They would meet, and decide on positions for each player.

The games will be played on Saturday, March 7. The second team All-Stars will Play at 10 A.M. followed by the Woman's game at 11:30 A.M. The first team All-Stars will play at 1P.M.
