

May Newsletter 2023

Dear Parents,

Well, Spring is finally here! The spirit of Spring is definitely in the air and our classroom is bursting with excitement! The children all took their Scarlet Runner Bean plants home to continue to grow until they find a home in the garden. It's amazing to watch a small seed germinate and grow into a beautiful plant! We look forward to learning about flowers, insects and weather. Books we will read in May include "The Earth and I" by Frank Asch, "The Tiny Seed" by Eric Carle, "The Wind Blew," by Pat Hutchins, "The Very Busy Spider" and "The Very Hungry Caterpillar," by Eric Carle, and a few more books about Spring! Spring is a time of new life and re-growth. We will also talk about butterflies and their life cycle. The toddlers will see many small insects as we continue to explore our outdoor space!
