

TOILET TAMER

Heaviest Duty Toilet Bowl Cleaner

TOILET TAMER is a breakthrough in cleaning technology. This powerful foaming shower room cleaner harnesses the cleaning power of a traditional hydrochloric acid bowl cleaner with unique ingredients to "*tame*" the potential harm to both product users and surfaces. This results in an extremely effective product for cleaning, descaling, derusting and polishing toilet bowls that is safer and far more pleasant to use than conventional 23% HCl products.

FEATURES	ADVANTAGES	BENEFITS
Contains hydrochloric acid.	Powerful acid for cleaning, descaling, derusting and polishing toilet bowls.	Highly effective performance. Saves time and money.
Proprietary ingredients to " <i>tame</i> " hydrochloric acid.	Safer and more pleasant to use.	Reduces risk to product users and potential damage to surfaces.
No strong acid smell.	Eliminates "fuming" of traditional hydrochloric acid products.	More pleasant to use.
Stable hard water tolerance.	Effective cleaning action even in the hardest water conditions.	Various water conditions will not affect cleaning effectiveness.
Controlled corrosivity.	Doesn't corrode materials that traditional hydrochloric cleaners do.	Safer – less liability.
Maximum Concentration	Competes with the strongest convention HCl products.	Removes the heaviest soils and deposits.

TOILET TAMER

Flush toilet and force as much water over the trap as possible. Apply TOILET TAMER full strength to swab. Swab bowl, particularly the water outlets under the rim. Rinse by flushing.
