Work With Me

As your Health Coach, I will listen carefully and we'll navigate the world of contradictory nutrition and health advice together to explore what truly works for you.

Together we will:

- Connect the dots between who you are and who you want to be
- Create your personal blueprint
- Decipher your body's unique needs
- Set your personal goals and work towards sustainable change

What you get:

- Two 50-minute sessions per month
- Email support between sessions
- Simple healthy recipes
- Handouts specific to your needs and goals

What to Expect:

- Sessions can be scheduled in person, over the phone, or through Skype.
- Most people will enjoy benefits after the initial program. Others may require additional follow up sessions, depending on the particular health and/or lifestyle goal.

Your path to Health & Happiness!

What are you waiting for? Let's do this!

Health & Lifestyle Coaching

As your Integrative Nutrition Health & Lifestyle Coach, I will guide and mentor you to set goals, provide ongoing support and empower you to make sustainable changes that improve your health and happiness. I take a holistic approach to address the whole person's mind, body, and spirit. The journey is one of renewed wellness, balance, and inner peace.

Being healthy does not have to be hard.

Even though there are many areas that impact our lives, we will focus on those that improve your well-being. The key areas of wellness are illustrated in the Life Esteem Circle of Wellness.

- Spirituality
- Self-Development
- Happiness
- Career
- Physical Activity
- Health (*Nutrition*)
- Relationships
- Social Life

I work with you to establish your unique recipe for life!

We are all unique, our heritage, gender, age, and desires. So, doesn't it make sense that there is no "one-size-fits-all" approach to health and lifestyle? To decide if health coaching is right for you, I invite you to schedule a **FREE Initial Consultation** with me. During this session, we will discuss your health and lifestyle to determine how I can best support you in achieving your goals.

When was the last time you received the personal attention you deserve and talked with someone about your health?
