

President's Message

The weather has improved. Our moods are joyous and summery. We have events planned. Somewhere a lamb frolics with no inkling of its fate. Colonel Dallison has completed his recce and the road is clear for a history tour.

Ladies Lunches are planned. I understand they are open to men, which creates a politically correct semantic conundrum.

Enjoy your summer! Live it up!

Kings Landing - Prov. Archives

19 of us had a great morning
exploring the Provincial Archives at
Kings Landing. It is the kind of
place you could spend hours and not
move more than 10 feet. A BIG
thank you to Bob for arranging for
us to visit.

Message from the Club Manager

Finally! We are back into the summer months. We have several months of enjoying this most wonderful season and the carefreeness that goes along with it. I don't think we have had as much planned for summer, as we do this summer... so I hope you are feeling carefree and I'm so looking forward to seeing you all. It has been way too long for many.

The History Tour with Bob is fast approaching but if you want to go, you must let me know ASAP. We might be able to get you into the hotel if we act fast.

It is summer, so we are beginning to have our monthly lunches. Again, they are open to all Club members and guests. It is a great chance to enjoy some of our best local restaurants and an afternoon of fun with other Club members.

The hosted summer BBQ is also coming fast, and we still have some room, not much, but a few.

I have a few other thoughts on some summer fun but some of them maybe last minute, so stay tuned.

Enjoy your June.

Be well!

Francis Perry
