

Level 3 Diploma in Healthcare Support

Who is this qualification for?

The Level 3 Diploma in Healthcare Support is a competence-based qualification which has been developed with Skills for Health and healthcare employers.

This qualification is a mandatory component of the Senior Healthcare support Worker apprenticeship standard in England.

The qualification is aimed at senior healthcare support workers in a range of healthcare settings.

The qualification can be used both within and outside of an apprenticeship standard.

Assessment method

The qualification will be assessed by a portfolio of evidence.
