

LET'S PRACTICE IN 2021

Join Rev. Hannah Rothlin each month to put into practice the monthly themes suggested by Centers for Spiritual Living. Since the theme for 2021 is *Timeless Wisdom and Evolutionary Vision*, the workshops will be an opportunity to gather online or outdoors in person to discuss ideas about each month's topic and to be guided in practice exercises applying the spiritual principles in your daily life. Join us in living and practicing the Centers for Spiritual Living vision of "creating a world that works for all".
