Call to Order: Meeting was called to order at 8:00 a.m. Chair Caroline Murphy presided. Notices were properly posted.

In Attendance: Caroline Murphy, Chair; Craig Nelson, Supervisor I; Mark Jensen, Supervisor II; Phil Durrant-Town Maintenance; Waupaca County Highway Department personnel; property owner John Hintz.

New Business:

- 1) Town Board to inspect the property located at: John & Julie Hintz, E2441 Janl Drive for drainage issues.**

The Town received a request to inspect the flooding on the property of John & Julie Hintz, located at E2441 Janl Drive. Kyle Fischer, Engineer Specialist and Greg Flohr, Operations Manager for the Waupaca County Highway Department were there to provide recommendations. Mr. Hintz reported excessive flooding on his property after the recent rain event of March 4, 2022. His property had standing water that caused concerns due to the location of his private well head and underground power and gas lines. Mr. Hintz stated the last time the property was flooded like this was about three (3) years ago.

Options were discussed. One option is to have Waupaca County Highway Department install a 6' French drain on the property. Another option is to have Mr. Hintz contact the Waupaca County Department of Health and Human Services about installing a berm near his well head. Another option is to deepen the ditch out to County Road K and the wetland area. This would require four house culverts to be redone. Town Supervisor, Mark Jensen, will work with the property owner and the Waupaca County departments for a recommendation to address the flooding in the future.

2) Adjournment

A motion by Caroline Murphy, seconded by Mark Jensen to adjourn at 9:00 am. Motion carried by unanimous voice vote.
