

Benchmark!!

CAPABILITY STATEMENT

Benchmark Window & Specialty Cleaning, Inc. has served the greater Indianapolis area for 35 years. From a modest start in Chicago in 1982, we moved to Indianapolis two years later with a strong desire to start a specialty cleaning service that would provide first class professional services in the cleaning industry. Over the years we now specialize in handling some of the more challenging area of cleaning that most large companies face, that of high-rise windows, large area carpets, venetian blinds, upholstered furniture, and many other areas. At Benchmark, we set the mark for others to follow.
