Artist Spotlight

Congratulations to Marian Zielinski for her Providence Canyon Art Quilt Series at Macon Museum of Arts and Sciences. All 15 pieces will be on exhibit through November 12, 2021. They will also be the featured series in the Winter Issue of Art Quilting Studio Magazine. Be sure to make time to visit the Museum.

We would like to thank De'Lani Delights for providing the refreshments for our August opening reception. They are located at 2310 Ingleside Ave. in Historic Ingleside Village. Stop in and check them out. You won't be disappointed!

Our gallery hours are Tues. thru Friday,
12-5, and Saturday 12-3. Masks are a must,
regardless of vaccination status!

"I foresee it and yet I hardly ever carry it out as I foresee it. It transforms itself by the actual paint. I don't in fact know very often what the paint will do, and it does many things which are very much better than I could make it do."

Francis Bacon, 1963
