WHO NEEDS REPRESENTATION?

Lakefront Lines, Inc/Hopkins Transportation Employees, THAT'S WHO!

The question on your secret election ballot which will be mailed to you on January 6, 2015 will be; Do you wish to be represented for collective bargaining purposes by United Workers of America Local 322, Teamsters, or none? In all walks of life people hire some sort of representation. If you were to buy a house you would hire a lawyer to represent you for your house closing. If you were in a car accident, you might have a lawyer look into your rights.

Even the Owners of Lakefront Lines can't deny the need for knowledgeable representation. They have lawyers that deal with Contracts with the cities in which they operate, suppliers as well as any other legal problems that the company deals with. They have even gone so far as to hire lawyers to represent them for the campaign in this election.

Local 322 is here to represent the employees of Lakefront Lines Inc. We have the Knowledge and the experience to negotiate you a Union contract that provides many benefits and protect you and your families in the future. Local 322 has accomplished more in one month then other groups have in the last 10 years previous, now we only need the opportunity to finish the job.

Your Job and earnings are very important issues in your life. Why would someone want to talk about those issues without representation? You need a strong voice. You will have a collective voice with your other co-workers through Local 322. You will be involved as a decision maker in all of the process and we will continue as we have to keep you fully informed as events unfold. Local 322 already has negotiated a contract on behalf of MegaBus Drivers of Elizabeth NJ, Landover MD, and Camden NJ, and has signed a card check recognition agreement in MegaBus Pittsburgh. We also are currently in negotiations with Megabus North East over the terms and conditions of employment for the Luggage Loaders and Field Supervisors of Elizabeth NJ, Landover MD, and Camden NJ.
