July 23rd at the Club Grounds
August 27th at the Club Grounds

2012 Machinery Show

September 27, 28, 29, 30

News from Mister Tinker

Hi Everyone!

Well spring is here, it's 60 degrees and the birds are chirpin'. It's time to start gearing up for the summer, which means getting ready for the SWAP MEET and for the show. I know it seems like a long time until SHOW TIME but it will be here before you know it.

We have some projects in the works for this year, which hopefully will get finished by show time. The big barn needs to be expanded and we would like to get started on our print shop. We would like to plant some more trees, but our tree supply has dried up, so if you would like to donate any trees, contact the president, Shorty Schwegman.

There have been some changes made for the show regarding GOLF CARTS. There will be a \$10.00 charge for the 4 days for all golf carts. No tractors or trucks will be allowed to drive thru the flea market aisles during the show. As always, any golf cart or motorized vehicle being operated in an unsafe manner by ANYONE will be barred from operating on the grounds during the show.

Sally Wilson will be in charge of the kitchen for the swap meet again this year and will be needing help and some food products. If you can help or donate some food items, please call Sally at 765-647-3328.

Have a good spring and get ready for all the shows this summer. See ya at the swap meet.

Till next time.....

Keep on tinkerin'

P.S. Anyone who would like to fry chicken at the show should contact Pat or Roger Pettit.
