If you have any free time, this is something you might really enjoy.....

Go to the website Quilt Gardens Along the Heritage Trail

or <https://www.visitelkhartcounty.com/things-to-do/attractions/quilt-gardens/>. There is a downloadable map of beautiful flower gardens planted in quilt patterns. If you don't want to see all of the gardens, there are two gardens and one quilt mural in Nappanee, IN which is just a short drive from Mishawaka. It is a quant little Amish town. I have seen some of these gardens and they are beautiful!!!

If you are in Elkhart to check out their quilt gardens, you might also want to visit the RV/MH Museum there at 21565 Executive Parkway.

See you soon.
