

The Interior Design Challenge Competitive Event is a State Event conducted prior to the NJ FCCLA Fall Leadership Connection. It is an *individual* or *team* event in which students solve an interior design challenge, create a design board, keep inventory and stick to a budget. The Challenge for Fall 2022 is to use \$500 to create a design plan to modify and improve the participant's basement of their home. (This is just a plan and does not need to actually be executed.)

CAREER READY PRACTICES

- ✓ Apply appropriate academic and technical skills.
- ✓ Communicate clearly and effectively with reason.
- ✓ Demonstrate creativity and innovation.
- ✓ Employ valid and reliable research strategies.
- ✓ Utilize critical thinking to make sense of problems and persevere in solving them.
- ✓ Use technology to enhance productivity.
- ✓ Work productively in a team while using global competence.

NATIONAL STANDARDS FOR FAMILY AND CONSUMER SCIENCES EDUCATION

- 11.2.3 Analyze the effect that the principles and elements of design have on aesthetics and function.
- 16.2.2 Evaluate performance characteristics of textile fibers and fabrics.
- 16.2.4 Analyze the effect of textile characteristics on design, construction, care, use, and maintenance of the products.

EVENT CATEGORIES

Junior: Participants in grades 6-8

Senior: Participants in a comprehensive program in grades 9-12

Occupational: Participants in grades 9-12 who have an occupational and career focused program.

***** The Event Categories are subject to change depending on the number of entries.**

ELIGIBILITY

1. Participation is open to any affiliated FCCLA chapter. Affiliation must be submitted by **November 1, 2022**.
2. Each chapter may submit two (2) entries in each event category.
3. An entry is defined as one (1) individual participant or (1) team of no more than three (3) participants.
4. An event category is determined by a participant's grade in school and type of Family and Consumer Sciences program.

REGULATIONS

A home is the center of individual and family activities. Teenagers need a place to learn, grow and express themselves. Basements are frequently unrecognized potential in a home. The **Interior Design Challenge for Fall 2022** is to use \$500 to create a design plan to modify and improve basement of a home for teenagers (This is just a plan and does not need to actually be executed.) The challenge is to turn the basement into a space for teenagers that serves 3 functions: a place to do schoolwork, a place to explore a hobby, and a place for entertainment. Participants must consider that basements tend to be used for random storage and creative and functional storage must be included in final plan. This space should be both beautiful and functional. Participants need to consider lighting, seating, and storage when designing this space. Budget wisely, repurpose items, and select items with dual purposes.

1. Participants will create their design for a basement according to the dimensions as indicated in the attached design graphic.
2. Each participant entry will have an assigned folder to submit their project materials via Google Drive. A link to submit materials will be provided to the adviser upon competitive event registration. All entries must be submitted by **November 9, 2022** and privacy settings must be viewable to anyone with the link.
3. The project and file documents must be planned and prepared by the participant(s) only.

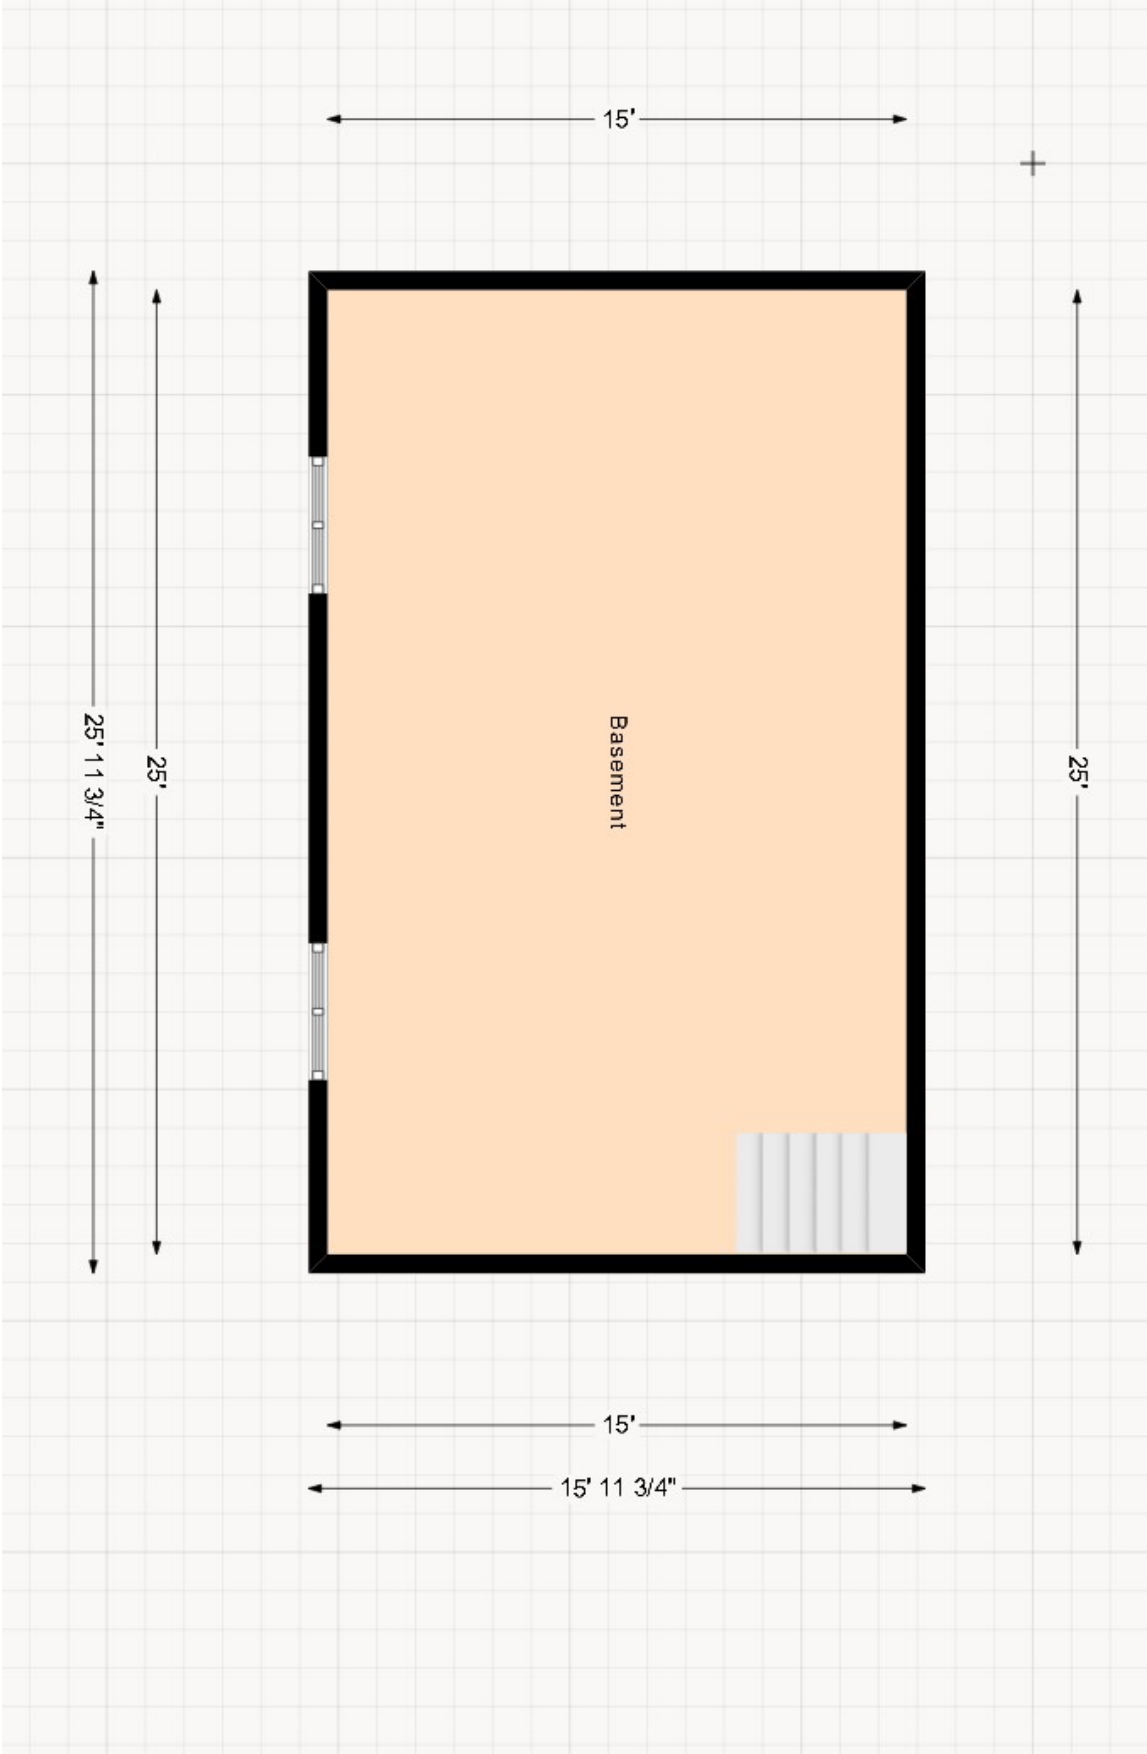

4. A project Identification Page must be included with the entry that includes the following information:
 - A. Participant(s) Name(s)
 - B. School
 - C. Chapter Name
 - D. Event Name (Interior Design Challenge)
 - E. Event category
 - F. Project Title
5. Each entry must submit the following materials and they must be labeled in the digital folder:
 - A. **Project Identification Page**
 - B. A **Digital Design Board** sharing style ideas
 - C. Screen shots of **electronic or hand drawn floor plan** of desired design plan outcome.
 - D. A **budget** including price, where items were purchased, picture of the items
 - E. A **Summary Statement** that states the challenges of a basement and the improvements they chose and why they chose them staying within the \$500 budget.
7. Participant(s) must be registered and attend the 2022 NJ FCCLA Fall Leadership Connection to participate in this event.

INTERIOR DESIGN SPECIFICATIONS

Digital File

Participant(s) will have an assigned folder to submit all of their project materials via Google Drive. This folder must Include: the Project Identification Document, a Digital Design Board, Screen shots of electronic or hand drawn floor plan, a budget and the Summary Statement form. A link to submit materials will be provided to the adviser upon competitive event registration. All entries must be submitted by **November 9, 2022**, and privacy settings must be viewable to anyone with the link.

Project Identification Page	One 8½” x 11” document, participant(s) must include participant(s) names(s), school, chapter name, event name (Interior Design Challenge), event category, and project title.
Digital Design Inspirations Board	On a one-page document share pictures and examples of the brainstorming ideas for the redesign plan.
Electronic or Hand drawn floor plan of desired outcome	Include screen shots or pictures of electronic or hand drawn floor plan of desired re-design outcome. Include basement needs in addition to necessary adjustments a place to store and organize items, divide the space, and light and electricity sources.
Budget	Up to two pages... include the following for each item: picture, where items were purchased, quantity, price, total price and grand total sticking to the \$500 budget. Include pictures of the furniture, color scheme, textiles, paint/ wall covering, etc. that were updated.
Summary Statement	A summary statement, not to exceed 2 pages, detailing the cumulative success of the project, what has been learned from completing this project, and how this knowledge can be transferred to other projects.

Summary Statements

1. Specifically state the overall functions your basement serves.
2. Summarize the adjustments you plan to make to improve the daily needs and functions of the space and why this is a perfect space for the teenagers in the family.
3. What creative and cost saving project(s) or initiatives did you use to get the most from your budget.
4. What part of your plan addresses the issues of the problems found in most basements (dank, dingy, moisture problems and concrete walls and floors).
5. Summarize the **accomplishment** of the challenge:
6. Identify and explain lessons that were learned by participating in the Interior Design Challenge event.
7. Describe any additional adjustments you would make if you had to do this again.
