U-Turn Ranch campers participate in groups that are supervised by our staff. A camper who finds group participation challenging (follow group directions, make safe choices, speech, toileting or comprehension) is welcome at U-Turn Ranch, however we may require that those campers participate with a one-on-one worker, provided by the family. Failure to inform U-Turn Ranch of these needs, may result in the camper requiring a one-on-one worker for the remainder of their camp week. U-Turn Ranch is not responsible if a one-on-one worker is unable to be arranged, and a refund will not be issued. Please feel free to contact the ranch office if you have any concerns regarding this, before registering your camper.

COVID-19

U-Turn Ranch is inspected by Public Health and Ontario Camping Association. Prior to your week of camp, we will update you regarding the regulations for mask wearing, social distancing, program/activity restrictions and food services. These guidelines may change without much notice, but we will do our best to educate you as soon as we are aware of changes.

All campers will be screened when entering the camp. U-Turn Ranch has the right and responsibility to deny acceptance into camp should the camper have symptoms that point to COVID. We ask that you let us know if your camper has come into contact with a positive COVID case within 3 weeks prior to their time at camp. We ask that campers do not travel 3 weeks prior to their week at camp. If there is any illness while at camp, we ask that your child is picked up as soon as possible.

Summer 2020 camp saw changes such as campers staying within their cohorts, extra hand washing and extra cleaning protocols put in place. We are hoping for the option of Overnight Camps this summer!
