About

Studying Hairdressing or Barbering with SBA, allows you to develop your skills and experience in our brand new purpose-built Hair and Barbering salon. Our tutors are highly qualified Hairdressers and Barbers, with a wealth of industry knowledge and experience, including salon ownership.

You will be taught everything from basic to advanced Hairdressing and Barbering. We believe that your skills and knowledge will advance notably by learning in a practical environment. Although our courses are based on practical experience, there is still an element of theory work that will need to be completed, in order to meet the standards of the qualification.

Where are we based?

SBA is based in West Malling and is open to the general public, on most week days and selected evenings. SBA offers a comprehensive range of Hairdressing and Barbering treatments, which are provided by our students as part of their training.
