Call to Order 7:12

- 1.) MPHA received KBIF final 2020 season approval since our last meeting in April and MPHA has already had two events to date. We have 3 more scheduled, but may depend on governor's restrictions. Will keep everyone UTD via website and facebook pages.
- 2.) Equitana 2020 officially canceled their event at the Kentucky Horse Park for Sept. 2020. They have a date set for 2021 and our spot is secured for the next year. Everyone agrees that it is something that we want to keep, so our deposit will be rolled over to the 2021 event.
- 3.) Becky Beal reported about Equus Survival Grant for DNA. It is going well (16 tests so far!) and there has been increased interest in the program due to the grant. Board discussed different options about stimulating even more interest for individuals to register their horses.
- 4.) MPHA will have a Breed Barn educational Demo at the KHP on August 15th and 16th, with another one scheduled for 10/10-11.
