

President's Message

Spring is coming. You can almost see the small patches of green grass between the cannabis plants!

Lynn Fraser has snow drops. Dorothy McDade is pounding the downtown trails. The Wades are thinking about coming back from Florida. Francis & Greg are back from Cuba. Your Pres has returned from The Continent. Seems like all the Fredericton Garrison Club robins are coming north for the summer.

And we have lots of stuff planned, as you will note from our General Manager's recent note. Most of us are still (correctly) very COVID conscious and we will carefully move ahead.

Our AGM is scheduled for May at The Oakland Lodge. Plan to attend. Dust off that mask.

Looking forward to a more normal summer.

Jim Quigley

What is in the Works

We have lots of things in the works; now that we have a bit of freedom. So much so, that I must add a separate couple of pages (attached). Note that this is not all the events, only the ones that are scheduled so far. I'm working on things like; The Rossmount, Beach Street Inn, more History Tours, etc.

As you may see, several of these require a long-term plan and a commitment now, if you are going to enjoy them. I have a feeling that many people will be out enjoying life again this summer and things will get booked up fast.

So, for planning purposes, please inform me as soon as possible when it comes to booking things like the History Tour and PEI Trip.

DATES TO MARK ON THE CALENDAR

April 17 - 9:30 - Easter Brunch at the Fredericton Inn (pre-booking required)

April 23 - 7:30 - Sparkling Wine tasting, new date.
RSVP by 18th

May 14 - AGM and Spring BBQ at Oakland Lodge - 4:30 meeting followed by the meal at 6:00. RSVP by 7th

Message from the Club Manager

Here we are again, Spring! Although my winter was pretty easy, being away for 9 weeks, it is still so nice to see the snow going and the days getting warmer and longer. I have already begun planting many flower and vegetable seeds and they are coming along wonderfully, under the grow lights.

Although we, the province, are without restrictions, many of us still feel the need to self-impose our own mask restrictions. Eventually we will all take little steps forward to "total freedom", even if it might be year(s) from now.

That brings me to my next point about the Club and hopefully a late spring and summer of spectacular events. Some of these events will be a bit more open, depending on the venue and some will require mask wearing. Keep note that some Club members may not be as relaxed about being maskless. So, if you are not wearing one, please respect those who are and maintain your distance. You will see a lot more events coming up, and I do hope to see as many of you as possible. Have a great Easter and I look forward to seeing you at an event soon.
