

## Charitable Giving

LaSoupe is our chosen charity for the 2021-22 year. Our fundraisers throughout the year go toward this charity and it is NEW's main focus for this year.

La Soupe

La Soupe bridges the gap between food waste and food insecurity. The La Soupe mission is to rescue, transform, share.

However, if you want to lower your taxes by making a donation to a charity---these are the ones that were not chosen this year by NEW. Contact info is included if you want to make a donation before Jan 1st to lower your taxes. These groups would appreciate any financial support given to them. For most of these groups, go to their website and look for Donate or Support.
