

Fireside Fellowship:

Motivated by God:

1. How is it that Paul had such a close relationship with the Thessalonians?
Especially after only what could have been a 3 week stay with them?
2. Discuss the word church as “called out ones”. What are we called out from?
Called to? Who is doing the calling?
3. Does Paul’s use of “grace and peace” as a greeting change the use of those words for you?
4. What do we thank God for when we pray for those in our church/life?
5. Faith, hope, and love – how do they work together in our life?
