# About the First Time Home-buyer Program

The Redevelopment Authority of the City of Connellsville's First Time Home Buyer Program provides assistance for low- and moderate-income individuals to purchase a home in the City of Connellsville. Assistance through this program is provided in the form of a 0% loan for Down-Payment and Closing Costs.

## Program FAQs

### How much do I have to pay?

There are no up-front application fees for the program. During the pre-purchase counseling process, the Redevelopment Authority will work with applicants to identify the resources that will be required at closing. Ideally, homebuyers in the Program will contribute at least 3% of the property purchase price toward down-payment and / or closing costs.

### How do potential homebuyers apply?

Potential homeowners should initially inquire about the Program by calling the Redevelopment Authority at 724-626-1645. After establishing that the applicant is income eligible to receive assistance and is eligible to obtain a mortgage, the applicant will enroll in a Homeownership Education Course. Program participants must successfully complete the pre-purchase counseling course and receive a completion certificate prior to any final closing.

## Who qualifies for assistance?

- Be single individuals OR families of two or more persons related by blood, marriage, adoption, guardianship or domestic partnership, that may include individuals (under 18yrs) being domiciled with a parent or another person having legal custody.
- Required to be a *First-Time Homebuyer*, meaning an individual or married couple who have not owned a home for three years prior to application.
- Not have been a prior participant in the Redevelopment's First Time Home Buyer Program.
- RACC will not discriminate against any applicant for assistance loan based on age, ancestry, color, creed, physical or mental disability, marital or familial status, medical condition, national origin, race, religion, gender or sexual orientation, or sex.
- No member of the Connellsville City Council or the Redevelopment Authority, and officials or executive employees of the City or Authority, nor any other person who exercises policy or decision-making responsibilities in connection with the planning and implementation of the program shall directly or indirectly be eligible for this program. Exceptions to this policy can be made only after public disclosure and formal approval by the Redevelopment Authority.

## How the program works

The Redevelopment Authority's First Time Home Buyer Program provides down-payment and closing cost assistance

### Below is how a typical transaction may work:

- Potential homebuyer applies to the program.
- The applicant is determined to be income eligible to receive assistance.
- The applicant pre-qualifies for a mortgage from a qualifying lending institution to determine how much the applicant can afford.
- The applicant enrolls into a Homeownership Education Course.
- The applicant begins their home search in the determined price range.
- The applicant selects a home with a purchase price of for example \$80,000.
- The appraised value of the property must be at least \$80,000 at closing.

*In this situation, the closing-costs would equal approximately \$5,000. Adding these costs to the purchase price, the total cash required for this transaction is \$85,000. Under the First Time Homebuyer Program, funding for this transaction would come from the following:*

- \$68,000 from the primary lending institution for a permanent mortgage (80% of the appraised value/purchase price of the home).
- \$2,400 from the Buyer for down-payment (3.00% of purchase price of \$80,000)
- \$10,000 loan (0% deferred) from the Redevelopment Authority to cover down payment and closing costs.
