

## ***Sharing Love...Living Christ***

Greetings!

May I just start by saying that

*I thank God at every remembrance of you - always in every prayer of mine for you all making request with joy for your fellowship in the gospel from the first day until now; being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ: even as it is meet for me to think this of you all, because I have you in my heart inasmuch as... ye are all partakers of my grace.*

*~Phil. 1:3-7*

I am so grateful to God for the grace that He has shown to me by orchestrating and manifesting a divine connection with you! I am grateful for the friendship and the fellowship that God has graced us with. Truly, as iron sharpens iron, so one person sharpens another (Prov. 27:17). Here I stand, truly sharpened today!!! I say to you as Jesus said to His disciples, “***I love each of you with the same love that the Father loves me***” (John 15:9, The Passion Bible). I take pleasure in obeying Jesus’ command to “Love each other deeply, as much as I have loved you” (John 15:12, The Passion Bible). ***I love you deeply***. As my pastor used to say, ***I love you, and you can’t do anything about it!***

Thank you for your friendship and partnership with God’s Love Song Ministries. I want to take this opportunity to share with you what you have helped to accomplish this year.

Through your prayers, encouragement, testimonies, and financial support, you have played an important part in the development and growth of this ministry.

### **In 2017, God’s Love Song Ministries:**

1. Established a strong, tangible Presence of God on the island of St. Croix in the US Virgin Islands
  - Our mission at The Prayer Corner, an outreach of the ministry, is to establish a Presence of God in the midst of the people and to minister to those who turn aside to see. We are happy to report that The Prayer Corner is more than a physical place. It is a spiritual territory whose physical domain continues to expand and that is always in operation - even when we are not there. It is a spiritual territory that is exerting its influence in the lives of people whether they stop for prayer or

not, whether hands are laid or not... It is a tower of refuge for those who choose to enter, and it brings comfort just by being there. **It is the Presence of God in operation.** Hallelujah! Thank You, Lord, for Your faithfulness!

2. Obtained 501(c) status

- **God's Love Song Ministries, Inc.** is now a certified non-profit organization! Praise God! As such, donations and seed sown to God's Love Song Ministries is tax deductible. If you receive products, all giving above market value will be tax deductible.

3. Kicked off the Love on Trump Initiative – sending notes of love and encouragement to our President

- **MISSION:** to demonstrate the love of God through tangible expressions of love (i.e., notes of prayer and encouragement) to President Trump.
- **VISION:** President Trump will receive a revelation of the manifested love of God, know and believe the love of God, and reign in the love of God as the President of the United States.
- **KNOW:** Our expressions of love and encouragement are not based on our personal feelings for or opinions of Mr. Trump. They are based on Love, Who lives inside of us. **God is love.**

4. Submitted over \$1200.00 toward the development stage of a witty invention God blessed me with that will *Go into all the World, into all Arenas, Spreading Joy and Speaking Life.*

- God blessed me with a witty invention in 2013. This invention has gained the attention of American Greetings, a greeting card company. Having completed the Pre-Development Stage, it is ready to enter the Development Stage: the invention company with whom I am working will develop a product sample complete with testing and engineering. Once developed, it will be presented to American Greetings.
- This invention is a fun apparatus that will model positive and healthy communication for children and adults alike, providing examples of positive and encouraging ways to communicate in tough situations. This invention will bear the God's Love Song Ministries trademark, and has the potential to be used in all languages and in all arenas – from homes to schools to businesses to ministries.

I am so grateful to God for His faithfulness. I admit, I spent a lot of time wondering if we really accomplished anything last year...if we made the mark that He wanted us to make. However, as

I reflect on these accomplishments, I am encouraged by the Word of the Lord to Zechariah, “Do not despise these small beginnings, for the Lord rejoices to see the work begin...” (Zech. 4:10, NLT). I am excited because I know that He Who has begun a good work shall continue to perform it until the day of Jesus Christ (Phil. 1:6). I look forward to what God will do in and through this ministry, and in and through each of you as you join with God’s Love Song Ministries in **sharing love** and **living Christ** for all the world to see.

*Now, may the grace and joyous favor of the Lord Jesus Christ, the **unambiguous love of God**, and the precious communion that we share in the Holy Spirit be yours continually.  
Amen!*

*(II Cor. 13:14, The Passion Bible)*

I love you with the love of the Lord!

Be blessed!
