Thanks Angie, my daughter's graduation cake was the talk of the party, so many pictures were taken, you really personalized her cake with her degree and her style. She was so close to tears she was so excited she didn't want to cut the cake. You made this possible thanks again and I will contact you soon.

Thanks to Angela...my son's 7th birthday party cake was a HUGE hit! We had the party at a huge sportsplex in Rockville where they have multiple parties every weekend. People were flocking into our room to see the fabulous Ray Rice jersey cake. Not only was it amazing to look at it..it was also deeelicious!

Angie, thank you for all of your hard work and for being so wonderful to work with. You paid so much attention to us and worked with us throughout the whole process for our wedding. I wish I was able to try all the flavors, but our guests beat us to it! Everyone is still raving about the cake and we will be ordering more from you!! We are so happy that we chose you to make our wedding cake. There's nothing commercial about your cake or the flavors. The butter cream icing is to die for, and there's nothing but love mixed into it. All the best and continued success.
