

JESUS LOVES YOU!

Anointing With Oil.

The first time I used oil to minister healing was in 1999, in a town where I saw a little girl lame from birth. I did not set out to use oil but before I began to minister to her I asked her mother for olive oil. It is one thing you find in homes with growing children in my country. It serves many purposes. When she brought me the olive oil I held the bottle in my hand as I worshiped. I applied some on the child's legs and gave her some to drink in the name of Jesus. I left but then instructed the mother to continue to apply the oil on the child's legs and a little on her tongue as she could not speak also. I traveled for two weeks and came back to find the child walking. I will post the full story soon for you to read. It is titled..... The Story Of Muji.

In the book of Acts 10 vs 38..... God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him. Jesus Christ healed the sick by the Holy Spirit. No one can see the Holy Spirit but you can perceive His presence. When the oil is used to anoint the sick in the name of Jesus, the sick receive their healing. The oil is infused with the power of the Holy Spirit to bring about healing. The oil is not the Holy Spirit, it only represents His presence.

The use of oil to anoint in Christianity is for consecration, to set apart for service to God, to anoint the sick for healing like the apostles did in the bible Mark 6vs 12. Anointing with oil is like giving the sick something tangible to work with, something on which to rest their faith in God. I believe in God healing you without any physical contact as long as you believe. I have shared with you that God can heal anyone who believes. Faith is the means to that kind of healing, whereby the power of God to heal works in you miraculously.

So, with or without the use of oil God will always heal through the operation of Faith. And whereby the sick are anointed with oil in the name of Jesus, God grants the request through faith. Faith is necessary even when the oil is used; for without faith, it is impossible to move God. The Holy Spirit is the Spirit of God. The Holy Spirit is the One whom Jesus told His disciples about before His crucifixion John 16vs 5-15. The Holy Spirit is the Spirit of truth, the Spirit of Power, the Spirit of healing.

In Islam the Holy Spirit is said to be the angel Gabriel but that is not true because the Holy Spirit Proceeds from the Father. He proceeds from Jehovah, He is the Spirit of God. He is the Power and the force behind creation, Genesis 1vs 1-2. The Holy Spirit is the breath of God. He is not angel Gabriel in any way. Angel Gabriel is the messenger of God, who was sent to give the message of Jesus' birth to Mary in the gospel of Luke 1 vs 26,27,34 and 35

26 Six months after Elizabeth knew she was to become a mother, Gabriel was sent from God to Nazareth. Nazareth was a town in the country of Galilee. 27 He went to a woman who had never had a man. Her name was Mary. She was promised in marriage to a man named Joseph. Joseph was of the family of David. 34 Mary said to the angel, "How will this happen? I have never had a man." 35 The angel said to her, "The Holy Spirit will come on you. The power of the Most High will cover you. The holy Child you give birth to will be called the Son of God.

So as you must have read in verse 35 the angel told Mary that the Holy Spirit will come on her; if he was the Holy Spirit ". He would have said and I will come on you'. The angel Gabriel is a spirit but he is not the Holy Spirit. The Holy Spirit is omnipresent and no angel is omnipresent, not even Gabriel. The Lord has laid it on my heart to bring to you the use of oil and I know as Muslims you appreciate tangibility. I write about this because The Lord impresses the use of olive oil within me whenever I need to minister healing. I believe He has given me this as a ministry tool and He wants me to share it with you. God has always backed it up because I have seen it worked. My son had eczema as a baby. It broke out on him when he was just a month old, I battled with this skin problem till he was two years of age.

I visited the doctor and I was told it MIGHT heal with time but until then he could not use just any bathing soap and body cream. So for two years my son had a prescribed soap and cream. I was not happy with the look of his skin, it was dry, scaling and flaking. Every affected area itches and some times sore. And so I decided to anoint just any cream with oil and use it on him. Every morning as I use the anointed cream on him after bath, I speak to his body saying "the healing power of God is working on your skin and it is clearing away the eczema" and before long, my son's skin was restored. He does not have eczema any more. It did not heal with time, I stopped it by the power of God, by anointing a cream I bought from the store and not the pharmacy with oil.

You can have a bottle of the anointing oil for any gift seed the Lord lays on your heart to support this ministry , I will post it out to you any where you are in the world. I have prayed over it and I know the hand of God is upon it. God gave me the use of oil to minister healing and it is working. Have faith in God, believe for a Miracle, God will not fail.
