WORK EXPERIENCE

Henry County Schools, Visual Art Teacher

IMPACT ACADEMY (JULY 2021 - PRESENT)

- As a leader teaching both Blended and Virtual I develop talent while fostering creativity in students through technology and innovation.

Fulton County Schools, Visual Art Teacher

HAPEVILLE CHARTER CAREER ACADEMY (JULY 2018 - JUNE 2021)

- As a leader of lower income urban students under Title 1, I successfully fostered a positive learning environment that engages, influences, and challenges students through creating lesson plans that culturally connect to their everyday lives. These tactics raised student involvement and positively influenced their appreciation of the arts.

Henry County Schools, Visual Art Teacher

STOCKBRIDGE HIGH SCHOOL (JULY 2016 - JUNE 2018)

- As a leader of 32+ diverse students per class, I successfully fostered a learning environment that influenced creativity and innovation by designing lesson plans and assignments that challenged mindsets and developed more appreciation for the arts. These tactics decreased the classroom failure rate by 90%, and lead to an increase of students requesting the course as an elective. Classroom capacity was increased from 24 students to a 38 student maximum to support the demand.
