● Application for:

☐ Special Exemption ☐ Dimensional ☐ De Minimis ☐ Use ☐ Validity

● Present use of property _____

● Proposed use of property _____

● Include all supporting documentation with application and a written summary of how ALL of the following apply:

- That there are unique physical circumstances or conditions, including irregularity, narrowness, or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property and that the unnecessary hardship is due to such conditions and not the circumstances or conditions generally created by the provision of the zoning ordinance in the neighborhood or district in which the property is located;
- That because of such physical circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the provisions of the zoning ordinance and that the authorization of a variance is therefore necessary to enable the reasonable use of the property;
- That such unnecessary hardship has not been created by the appellant;
- That the variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located, nor substantially or permanently impair the appropriate use or development of adjacent property, nor be detrimental to the public welfare and;
- That the variance, if authorized, will represent the minimum variance that will afford relief and will represent the least modification possible of the regulation in issue.

APPENDIX A

OPERATION AND MAINTENANCE (O&M) AGREEMENT STORMWATER MANAGEMENT BEST MANAGEMENT PRACTICES (SWM BMP's)

THIS AGREEMENT, made and entered into this _____ day of _____, 20____, by and between _____, (hereinafter the "Landowner"), and the City of Connellsville, Fayette County, Pennsylvania, (hereinafter "Municipality");

WITNESSETH

WHEREAS, the Landowner is the owner of certain real property as recorded by deed in the land records of _____ County, Pennsylvania, Deed Book _____ at page _____, (hereinafter "Property").

WHEREAS, the Landowner is proceeding to build and develop the Property; and

WHEREAS, the SWM BMP Operation and Maintenance (O&M) Plan approved by the Municipality (hereinafter referred to as the "O&M Plan") for the property identified herein, which is attached hereto as Appendix A and made part hereof, as approved by the Municipality, provides for management of stormwater within the confines of the Property through the use of BMP's; and

WHEREAS, the Municipality, and the Landowner, his successors and assigns, agree that the health, safety, and welfare of the residents of the Municipality and the protection and maintenance of water quality require that on-site SWM BMP's be constructed and maintained on the Property; and

WHEREAS, the Municipality requires, through the implementation of the SWM Site Plan, that SWM BMP's as required by said SWM Site Plan and the Municipal Stormwater Management Ordinance be constructed and adequately operated and maintained by the Landowner, successors, and assigns.

NOW, THEREFORE, in consideration of the foregoing promises, the mutual covenants contained herein, and the following terms and conditions, the parties hereto agree as follows:

1. The Landowner shall construct the BMP's in accordance with the plans and specifications identified in the SWM Site Plan.
2. The Landowner shall operate and maintain the BMP's as shown on the SWM Plan in good working order in accordance with the specific operation and maintenance requirements noted on the approved O&M Plan.
3. The Landowner hereby grants permission to the Municipality, its authorized agents and employees, to enter upon the property, at reasonable times and upon presentation of proper credentials, to inspect the BMP's whenever necessary. Whenever possible, the Municipality shall notify the Landowner prior to entering the property.
4. In the event the Landowner fails to operate and maintain the BMP's per paragraph 2, the Municipality or its representatives may enter upon the Property and take whatever action is deemed necessary to maintain said BMP's. It is expressly understood and agreed that the

Municipality is under no obligation to maintain or repair said facilities, and in no event shall this Agreement be construed to impose any such obligation on the Municipality.

5. In the event the Municipality, pursuant to this Agreement, performs work of any nature, or expends any funds in performance of said work for labor, use of equipment, supplies, materials, and the like, the Landowner shall reimburse the Municipality for all expenses (direct and indirect) incurred within 10 days of receipt of invoice from the Municipality. Landowner acknowledges and agrees that failure to pay timely any such invoice from the Municipality shall give the Municipality the right to place a lien against the Property in the amount of any unpaid balance.
6. The intent and purpose of this Agreement is to ensure the proper maintenance of the onsite BMP's by the Landowner; provided, however, that this Agreement shall not be deemed to create or effect any additional liability of any party for damage alleged to result from or be caused by stormwater runoff.
7. The Landowner, its executors, administrators, assigns, and other successors in interests, shall release the Municipality from all damages, accidents, casualties, occurrences, or claims which might arise or be asserted against said employees and representatives from the construction, presence, existence, or maintenance of the BMP's by the Landowner or Municipality.
8. The Municipality intends to inspect the BMP's at a minimum of once every three years to ensure their continued functioning.

This Agreement shall be recorded at the Office of the Recorder of Deeds of Fayette County, Pennsylvania, and shall constitute a covenant running with the Property and/or equitable servitude, and shall be binding on the Landowner, his administrators, executors, assigns, heirs, and any other successors in interests, in perpetuity.

CITY OF CONNELLSVILLE
TAX ABATEMENT APPLICATION
INDUSTRIAL AND COMMERCIAL LERTA PROGRAMS

Request for Real Estate Tax Exemption under Ordinance 1482, exemptions for Industrial and Commercial Improvements.

The filing of an application for Tax Exemption does not relieve the taxpayer from payment of real estate taxes when due. If an exemption is granted when taxes have been paid for a covered period, the Treasurer will refund the amount of City tax exempted. There is no exemption for any tax imposed on land.

☐ Industrial

☐ Commercial

Note: It is a misdemeanor under the Act of December 6, 1972, 18PA C.S.A. 4904 to make a false statement with intent to mislead public officials.

Tips for providing the information needed for a Permit:

Contact your municipal office before starting! You may need: a Zoning Certificate, a Sewage Permit, or Tap-in Permit, and/or a Water Tap-in Permit. Verify Flood Plains, where applicable. Make a telephone call to "ONE-CALL" to have any utilities marked: Toll-free: 1-800-242-1776 (There is no charge to homeowners using "ONE-CALL.")

Then

1. Bring a Check made payable to "The City of Connellsville" for the amount of the Application. The permit fee is \$25 for the first \$5000.00 and \$2.00 for each additional \$1000.00 over the initial \$5000.00. Site Review, Zoning Permit, Storm Water, and Occupancy Permits are a flat \$25.00. Please see the Code Official for all other types of permits and the fees associated with them.
2. Provide a plot plan of your property, accurately showing the location(s) of all structures. Show the proposed construction and indicate measurements and setbacks.
3. Complete signed and sealed (as required by applicable laws) architectural plans, structural plans and material specifications of all work.
4. Detail the footer, its depth and size. Min. 8" x 20" at 32" deep.
5. Detail the size of concrete block, or poured foundation, any reinforcement and depth below grade.
6. Note type and number of foundation anchors, termite stop and sill. Minimum 4' apart and within 1' of each corner.
7. Show the floor framing dimensions and type of lumber. Detail any beams and spans.
8. Specify the sub-flooring/floor covering.
9. Show the size of wall framing, stud spacing, headers over opening, method of "Hurricane" fastening and insulation.
10. Show the size of roof framing members, spacing and roof sheathing materials. For manufactured trusses provide drawings and certification paperwork.
11. Bedrooms must have a minimum of 1 emergency escape window. Need a minimum of 5.7' clear opening, a max of 44" above ground.
12. All basements require an emergency egress. Basement bedroom must have egress window.
13. All habitable rooms require a switch controlled light, receptacles to Code and ground fault or are fault protected.
14. Minimum service entrance size for new homes is 100 amp.
15. All habitable rooms require heat and ventilation.
16. Smoke alarms are required for new additions/new homes: 1 in each bedroom and 1 on each floor and near, but outside, the bedrooms.

Stipulations:

- This Permit is granted on the express condition that the construction shall, in all respects, conform to the Ordinances of this jurisdiction, including the Zoning Ordinance governing the construction and use of buildings, and may be revoked at any time for violation of any provision of these Ordinances.
- This Permit is only for the items submitted with this application. No other work is authorized. Any other structures or any changes in the plans will need a separate permit and review.
- All construction must conform to the Uniform Construction Code.
- The owner is to verify the accuracy of the property lines and must build within those lines.

- Any structure can not be built over existing utility rights-of-way. PA One Call must be contacted prior to any digging occurring 1-800-242-1776.
- New structures can not be built in such a ways as to decrease the requirements for traffic lines of sight as set forth by PENN DOT.
- All contractors must have, or obtain, a valid Business License form the City of Connellsville. If the contractor is undetermined or does not have a Business License a \$30 deposit is required from the applicant for this purpose and will be returned once the contractor receives their license.
- Storm water must not be discharged in to the sanitary sewer system or in such a way as to create a public nuisance and must be in compliance with the City's Storm Water Ord.

Notes:

All Applications must be submitted in full ten (10) days prior to the Planning Commission meeting. Regular Planning Commission public meetings are held the first Tuesday of the month at 3:30 p.m., at Connellsville City Hall in the Council Chambers. Failure to do so may result in your application not being reviewed until the next regularly scheduled meeting.

LERTA Notice:

Under the provisions of the City of Connellsville Ordinance No. 1482, you may be entitled to a property tax exemption on our contemplated alteration or new construction. An application for exemption may be secured from the City Clerk and must be filed with the City a the time a building or alteration permit is secured.

Lead
