Frequently Asked Questions

Who is SmartMark Phones?

SmartMark Phones is a marketing company that provides complimentary service just for answering seven survey questions a day

Who is paying for my complimentary service?

As long as you answer the survey questions on a daily basis, SmartMark will pay for the provided service. Survey participation is mandatory to continue complimentary service

Can I keep my current smartphone?

All AT&T Phones, and unlocked GSM handsets are fully compatible. Other unlocked and GSM compatible devices may be eligible for SmartMark participation.

What are the requirements in order to keep my complimentary service?

You will be required to respond to seven(7) survey questions per day through the SmartMark App. You can do this at your leisure any time that day and it takes less than a minute to respond. You're part of cutting edge market research. As we get to know you through your responses and your profile we will ONLY send you survey questions, coupons, ads, etc that are related to things you want, like, enjoy and need. Make it fun, make it part of your daily routine!
