Description:

Join us for a virtual phone bank to talk with voters in York County about electing Pennsylvania Democrats up and down the ballot! We will be making calls for Joe Biden for President and your local down ballot candidates. The most effective way for us to reach voters right now is through phone calls, and we need you to help us get the word out to make sure Democrats can have their voices heard. **WHAT YOU'LL NEED** — A computer with reliable internet service — A mobile or landline phone — A comfy, quiet place in your home To get started, we recommend opening the phone bank and getting set up a few minutes before your scheduled start time so you can focus on having good conversations for your full shift. We recommend using a recent version of Chrome or Firefox as your internet browser to access the link. We encourage all active and prospective phone bankers to join our remote volunteer community Slack for live support. Learn how to use an Open Virtual Phone Bank link here. We will send you the phone bank link ahead of your shift!
