Safe Recruitment Policy

Rocks and Pebbles uses safe recruitment practices to ensure that all people working with the children in our care are safe and qualified to do so. When recruiting paid staff or volunteers we will follow the procedures set out below.

Advertising the vacancy

We will advertise all vacancies, and any job advertisements will include a statement about our commitment to safeguarding children.

Initial enquiry

Upon enquiring about a vacancy, we will send potential candidates:

- a job description
- a person specification
- an application form
- a copy of the Club's **Safeguarding Children and Child Protection** policy.

The application form includes:

- instructions that the application form must be completed by hand
- a declaration that all information is correct
- a section under the Rehabilitation of Offenders Act that asks if the applicant has been awaiting a verdict, convicted, or cautioned or received a court order or warning for any offence that may affect their suitability for working with children
- a request for the contact details of two referees one of which should be the last employer;(if this is the candidate's first job, their course tutor is a suitable alternative)

All applicants must submit a hand-written application form by the closing date. We will only accept CVs if they are accompanied by our standard application form completed as required.

Interview procedure

We will notify all candidates selected for interview by letter. All candidates will be asked to bring to the following items to the interview:

- proof of identity, eg passport, driving licence or birth certificate
- proof of address, eg recent utility bill (not mobile phone) or bank statement
- proof of qualifications, ie the relevant certificates
- for non-British nationals, proof of the right to work in the UK (as required by the Asylum and Immigration Act)

The interview will be conducted by at least two interviewers. All candidates will be asked the same set of questions. We will then ask additional questions about any other issues that arise from their application form. For example, the interviewers will follow up on any gaps in the candidate's employment history rigorously and ensure that they are satisfied with the explanation given, undertaking additional checks if necessary.

All candidates will also be asked to participate in a session with the children for an hour so that they can be observed interacting with the staff and children.

When we have interviewed and observed all candidates, we will make our final selection.

Appointing a new member of staff

When we have selected the successful candidate, we will

- send him or her a written offer, which will clearly state that it is subject to the receipt of suitable references and full sight of a satisfactory enhanced DBS certificate
- contact both referees for a reference, including asking them if they have any child protection concerns about the candidate.
- initiate an enhanced DBS check for the candidate, or if the candidate is subscribed to the DBS Update Service, review their current DBS certificate and check their status online
- ask the candidate to complete a medical form
- notify any unsuccessful interviewees.

We will also take photocopies of the new member of staff's qualification certificates and proof of identity and keep these on file.

When a new member of staff starts work at Rocks and pebbles we will give him or her:

- our terms and conditions, and get them to sign their contract; a copy of their contract will be kept on file
- all our Club policies, and ensure that they sign a policy confirmation form to confirm that they have read and understood them; the signed form will be kept on file.

We will conduct a full induction programme with all new members of staff as set out in our **Staff Induction policy**.

DBS checks

We will obtain enhanced DBS disclosures for all staff, students and volunteers who will work unsupervised with the children on a regular basis, or who have access to children's information. If candidates have subscribed to the DBS Update Service we will carefully review their current DBS certificate and then check their status online. If there has been a change in their status since their last DBS certificate was issued we will obtain a new DBS disclosure for them.

If the new applicant has spent a period of time or lived overseas we will complete an overseas DBS check or that country's equivalent.

New staff will only be allowed to work *unsupervised* with children when we have had full sight of a satisfactory DBS certificate for them.

If we decide to allow a new member of staff to begin work pending the completion of their DBS check, we will complete a children's barred list check, a written risk assessment first and they will *not be allowed unsupervised access* to the children until we have seen and reviewed their DBS certificate.

When we appoint a member of staff we will keep a record of the date and number of their DBS disclosure on our **Central DBS Record**. We will update the DBS checks for all staff every 3 years.

Disqualification

The Club will not employ staff or volunteers who have been convicted of an offence or have been subject to an order that disqualifies them from registration under regulations made under section 75 of the Childcare Act 2006. Note that a member of staff can *become* disqualified if they live in the same household as another disqualified person, or if a disqualified person is employed in that household. If a member of staff becomes disqualified we will terminate their employment and notify Ofsted.

Immigration status

The management is aware of Asylum and Immigration Act requirements and will check the ability of all new starters to work in the UK. Candidates are expected to provide documents confirming their status, usually a driving licence, passport, and NI number.

Recruitment of Ex-offenders

Rocks and Pebbles Ltd is the trading name of Rocks and Pebbles. Limited registered in England and Wales.

Registration No: 6415435

Director: Kate Asaf

As an organisation using the Disclosure service to assess applicants' suitability for positions of trust, Rocks and Pebbles Ltd complies fully with the DBS Code of Practice and undertakes to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of a conviction or other information revealed.

Rocks and Pebbles Ltd is committed to the fair treatment of its staff, potential staff or users of its service, regardless of race, gender, religion, sexual orientation, responsibilities for dependents, age, physical/mental disability or offending background.

We have a written policy on the recruitment of ex-offenders, which is made available to all Disclosure applicants at the outset of the recruitment process.

We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.

A Disclosure is only requested after a thorough risk assessment has indicated that one is both proportionate and relevant to the position concerned. For those positions where a Disclosure is required, all application forms, job adverts and recruitment briefs will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.

Where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate, confidential cover, to a designated person with Rocks and Pebbles Ltd and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.

Unless the nature of the position allows Rocks and Pebbles Ltd to ask questions about your entire criminal record, we only ask about unspent convictions as defined in the Rehabilitation of Offenders Act 1974

We ensure that all those in Rocks and Pebbles who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders e.g. the Rehabilitation of Offenders Act.

At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position sought could lead to withdrawal of an offer of employment.

We make every subject of a DBS Disclosure aware of the existence of the DBS Code of Practice and make a copy available on request.

We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of your offences.
