These are amazing countries that are important to our Biblical stories...and they are an easy 4 days each!

JORDAN is wild & beautiful!

- We leave Egypt, cross through Israel, and spend our first night in Jordan at the gorgeous Kempinski Aqaba. It is one of the most beautiful hotels in the world and you will feel pampered from the moment you enter.
Note: If you are starting your Holy Land tour in Jordan, you will fly into Amman then be driven to Aqaba about 4 hours south to meet those coming from Egypt.
- On our first full day, we drive to **Petra**, a UNESCO World Heritage site and spend most of the day trekking through the siq to view the Treasury and other carvings in the cliffs. You can walk or take a golf cart (extra cost) then walk out part way and ride a horse back to the entrance (or take the golf cart). It's a unique place where Aaron is buried and the Nabataeans called home.
- The next day, we visit the wonders of **Wadi Rum**. Wadi means desert and Rum is the name of this one where we ride 4-wheel drive vehicles through the red sand desert (you'll feel like you're in an Indiana Jones movie) then ride camels (optional) to reach our lunch outpost with the Bedouins. It is surreal to be in this place! Time permitting, you can join an afternoon boat ride into the Red Sea to go snorkeling (extra). From this vantage, you will see Jordan, Israel, and Saudi Arabia all at one time. It's a relaxing way to cool off! You may also enjoy free time at the beautiful hotel or walk to town.
- The next day, we leave southern Jordan and drive to **Amman** where we visit **Madaba** churches and explore the community plus other sites in Amman as we have time.
- On our last day in Jordan, we will visit **Mt. Nebo** where Moses first saw the Promised Land (but didn't get to go in) then cross into Israel at the **Allenby Bridge** to start our Israel tour.

FULL JORDAN ITINERARY

Jordan is my favorite country after Israel. It's truly like being in the Arabian Nights' and Indiana Jones' movies. You will be out in the desert sun, ride camels, run up sand hills, find shade in the shadows of the beautiful mountains, explore Petra like an archaeologist, marvel at the Promised Land from a viewpoint that is still much like Moses saw, learn about the culture of Jordan from our wonderfully kind guide, Emad, and be spoiled by the luxury of the Kempinski hotel each night. I highly recommend that you add this country to your Holy Land tour.

If you can extend your journey to Egypt & Jordan (8 nights total), it's worth it! You can do Jordan without Egypt but, if you go to Egypt, you

must also go to Jordan.
